U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
8660-85

Date of Issuance:
MAY 29 1997

NOTICE OF PESTICIDE:
Registration
 Reregistration

Term of Issuance:
Unconditional

(under FIFRA, as amended)

Name of Pesticide Product:
Green Up Kerb 50-W

Name and Address of Registrant (include ZIP Code):

H.R. McLane, Authorized Agent for
PURSELL INDUSTRIES, INC.
7210 Red Road, Suite 206
Miami, FL 33143-5321

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above with the following provisions:

1. The "Precautionary Statements" should be revised to read as follows:

"Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

"Personal Protective Equipment (PPE). Use the following when mixing this product. Long-sleeved shirts and long pants or coveralls, chemical-resistant or waterproof gloves, chemical-resistant footwear plus socks.

"Environmental Hazards statement: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters."

Signature of Approving Official:

Philip V. Errico, PM-25
Fungicide, Herbicide Branch
Registration Division (7505C)

Date:

May 29, 1997

20/3

2. The "First Aid" statements should be revised to read as follows:

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IN IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

RESTRICTED USE PESTICIDE

Because Pronamide has produced tumors in laboratory animals, this product is for sale to and use only by Certified Applicators or person under their direct supervision, and only for those uses covered by the Certified Applicator's Certification.

VERTAGREEN KERB 50-W

A Selective Herbicide for Poa Annuua Control in Bermudagrass

Poa Annuua
Seedhead
and Seed

ACTIVE INGREDIENT: Pronamide; [3,5-dichloro-N-(1,1-dimethyl-2-propynyl) benzamide]... 50.0%
INERT INGREDIENTS: ... 50.0%
KERB® is A Reg. Trademark of Rohm & Haas Company Total 100.0%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production or for research purposes.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Drink promptly a large quantity of milk, egg white, gelatin solution or, if these re not available, large quantities of water. Avoid alcohol. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists. **IF IN EYES:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Call a physician. **IF INHALED:** If breathing difficulty occurs, move individual to fresh air and get medical attention.

SEE SIDE/BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid skin and eye contact. Do not breathe the dust of spray mist. **PERSONAL PROTECTIVE CLOTHING:** When applying this product, wear midforearm, waterproof gloves, long-sleeved shirts and long pants, preferably one piece (coveralls). Hand Sprayers also require the use of waterproof boots or shoe coverings. Wash nondisposable gloves, boots and shoe coverings thoroughly with soap and water before removing. Any article of clothing worn while handling product must be cleaned before reusing. Clothing should be laundered separately from household articles. Clothing which has been heavily contaminated should be disposed of in accordance with state and local regulations. Do not enter treated areas without protective clothing until sprays have dried.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Crops other than those on which Pronamide may be applied may not be planted in Pronamide-treated soil. Hand spray applicators for Pronamide may be made only to ornamentals. Do not apply this product through any type of irrigation system.

DILUTION INSTRUCTIONS

The enclosed pouches of this product are water soluble. Do not allow pouches to become wet before adding them to the spray tank. Do not handle the pouches with wet hands or gloves. Always reseal overwrap bag to protect remaining unused pouches. Do not remove water soluble pouches from overwrap except to add directly to the spray tank. Add the required number of unopened pouches, as determined by the dosage recommendations, into the spray tank with agitation. Depend-

ing on the water temperature and degree of agitation, the pouches will dissolve completely within approximately five minutes from the time they are added to the water. Use mechanical agitation to keep the product in suspension.

When spraying small lawn areas apply at least 2 gallons of spray solution per 1,000 sq.ft. On acreage basis use 20 to 50 gallons per acre.

KERB acts mainly through root absorption. For this reason if no rain occurs after application within a day, lightly irrigate the area to move the chemical into the root zone. The chemical works slowly on seeding and mature grasses. Excessive irrigation or heavy rains will wash and leach the chemical from the area of application.

POA ANNUUA CONTROL

Bermudagrass Golf Courses, Lawns and Playing Fields:

Pre-emergence and early post-emergence control - Use 1 to 2 lbs. KERB 50 W in 20 to 50 gallons of water per acre or 2 to 4 gallons of water per 1,000 sq.ft. In areas of heavy growth use the higher rates of KERB and water to get best control and longer residual control. Apply in the fall or late winter when Poa Annuua normally begins to germinate or is in the one to two leaf stage.

Pre-emergence - Use 1 1/2 to 2 lbs. KERB 50 W per acre in 20 to 50 gallons of water or 2 to 4 gallons of water per 1,000 sq.ft. when Poa Annuua is in the early tillering stage (multi-grass shoots from plant) to the seed heading stage. If seed heads have already formed increase rate to 2 to 3 lbs. per acre. (8660-85, PM5/03-27-95/RED response)

NOTE: Dichondra, Bluegrass, Annual and Perennial Ryegrasses, Fescues, Zoysia and Bentgrass are sensitive to pre- and post-emergence application of KERB.

Do not overseed with susceptible cool season grasses within 90 days of treatment. Avoid spraying areas on fairways or approaches that drain into Bentgrass greens or areas that have been overseeded with cool season grasses.

KERB 50W is not recommended on greens as adequate information for this application is not available.

STORAGE AND DISPOSAL

FOR HOMEOWNER USE ONLY: Do not contaminate water, food or feed by storage or disposal. Keep container closed and away from food, feedstuffs and domestic water supplies. **PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash. **CONTAINER DISPOSAL:** Do not reuse bag. Discard bag in trash.

FOR PROFESSIONAL/COMMERCIAL USE ONLY: Do not contaminate water, food or feed by storage or disposal. Keep container closed and away from food, feedstuffs and domestic water supplies. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State or local authorities, by burning. If burned, stay out of smoke.

IMPORTANT: PLEASE READ BEFORE USE

By using this product, the user accepts the following: **LIMITED WARRANTY:** Pursell Industries, Inc. warrants that (a) this product conforms to the chemical description on its label; (b) this product is reasonably fit for the purposes stated on its label, subject to the inherent risks referred to herein, when used in accordance with its directions; and (c) that the directions, warnings, cautions, and other statements on this label are based upon responsible experts' evaluations of reasonable tests of effectiveness, of toxicity to laboratory animals and plants, of residues on food crops, and upon reports of field experience. Testing has not been performed on all varieties of turfgrasses, in all states, or under all application, weather and crop conditions. There are no express warranties other than those set forth herein. Pursell neither makes nor intends, nor does it authorize any agent or representative to make, any other warranty, express or implied. Pursell expressly excludes and disclaims all implied warranties of merchantability, fitness for particular purpose, or any other warranty of quality or performance.

This warranty does not extend to, and the user shall be solely responsible for, any loss or damage which results from the use of this product in any manner which is inconsistent with this label's directions, warnings or cautions.

User's exclusive remedy and Pursell's or seller's exclusive liability for any claim, loss, damage, or injury resulting from the use or handling of this product, whether or not based in contract, negligence, strict liability in tort, or otherwise, shall be limited, at Pursell's option, to replacement of, or repayment of the purchase price for, the quantity of product with respect to which damages are claimed. In no event shall Pursell or Seller be liable for special, indirect, or consequential damages resulting from the use or handling of this product.
