FRONT PANEL

SNAIL & SLUG Killer Pellets

Clean, Easy-to-Use Granules
Can be used on fruit and vegetable growing areas

1 lb. treats up to 2,000 sq. ft.

Active Ingredient:	
Metaldehyde.....	2.75%
Other Ingredients:	97.25%
TOTAL	100.00%
[CAS # 9002-91-9]	

KEEP OUT OF REACH OF CHILDREN

WARNING This pesticide may be fatal to children and dogs or other pets if eaten. Keep children and pets out of treated areas. See back panel for additional precautionary statements.

NET WEIGHT 2.25 lbs (1 kg), 2.5 lbs (1.1 kg), 12 lbs (5.4 kg), 25 Lbs (11.34 kg)

BACK PANEL

Snail & Slug Killer Pellets is a special preparation for the control of snails. It attracts and kills snails and slugs with Metaldehyde. The presence of snails and slugs can be detected by their shiny mucous-like trail. They are night feeders and prefer damp, cool places in the ornamental garden, flowers, under boards or flowerpots and around fences, hedges and bushes.

STOP. Read entire label. Use strictly in accordance with label warnings and directions.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

Water area to be treated thoroughly. Broadcast Snail & Slug Killer Pellets late in the day in the areas likely to be infested. Apply to the soil and not directly on plants. Do not apply to edible parts or foliage. Scatter, do not leave in piles. In gardens and lawn areas, insure pellets are applied around base of bedding plants and other low growing plants where snails and slugs hide. To avoid early damage to your garden, apply before snails and slugs appear at spring planting.

Continuous watering and high temperatures cause this bait to gradually lose some of its effectiveness. Repeat applications every [week] seven (7) to ten (10) days during spring and summer months. Treatment every two weeks during fall and winter months is usually satisfactory. Repeated treatments provide control of new broods emerging during this period. Three applications ten days apart usually gives control of new hatch. Apply one pound of this product to each 2000 square feet of area.

To control snails and slugs on the following vegetable and fruit crops, apply to soil surface around plants and trees. Do not contaminate edible parts or foliage. One pound treats up to 2,000 sq. ft.

FRUIT CROPS:

- | | |
|---------------|--------------|
| Apples | Loganberries |
| Apricots | Nectarines |
| Avocados | Peaches |
| Blackberries | Pears |
| Boysenberries | Plums |
| Cherries | Raspberries |
| Citrus | Strawberries |

h/c

VEGETABLES:

Asparagus	Corn	Lettuce	Rutabagas
Beans	Cucumbers	Melons	Salsify
Black-eyed peas	Eggplants	Okra	Shallots
Broccoli	Endive	Onions	Spinach
Brussel sprouts	Garlic	Peas	Squash
Cabbage	Kale	Peppers	Swiss chard
Carrots	Kohlrabi	Potatoes	Tomatoes
Cauliflower	Horseradish	Pumpkins	Turnips
	Leeks	Radishes	

FOR SNAILS AND SLUGS IN DICHONDRA, CLOVER, AND GRASS LAWNS:
 Distribute pellets over entire lawn as necessary. One pound treats up to 2,000 square feet.

STORAGE AND DISPOSAL

Storage: Store product in original container in a cool, dry, locked place out of reach of children and pets. Do not contaminate other pesticides, fertilizers, seeds, food or feed. Return spillage to original container prior to disposal. **Disposal:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING May be fatal if swallowed. Avoid breathing dust. Avoid contact with skin, eyes and clothing. Wash hands with soap and water after handling and before eating or smoking.

Subject: Notification per PR Notice 98-10
Snail & Slug Killer Pellets
EPA Reg. No. 8660-197

Dear Ms. Daniel:

Please find enclosed our revised label per PR Notice 98-10 to change the primary brand name of this product to **Snail & Slug Killer Pellets**. United Industries purchased all EPA pesticide registrations from Pursell Industries, including this product. We have reformatted this label to reflect our 2-column landscape format and have replaced the Pursell warranty and guarantee statements with those recommended by our legal counsel, used on all of our product labels and approved by EPA, as follows:

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.

Satisfaction Guaranteed: If you apply this product as directed and are not completely satisfied send the proof of purchase from this package and the original cash register receipt to the address below. We will refund the purchase price you paid.

This notification is consistent with the provisions of PR Notice 98-10 and the requirements of EPA regulations at 40 CFR 156.10 and 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 156.10 and 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Enclosed are an application form, five copies of the proposed label with changes highlighted, one copy of the final printed label, and a copy of the EPA stamped accepted label (dated January 28, 2002).

Please call me at 1-800-242-1166, Ext. 2727 if you have questions or need further information. Thank you very much for your attention to our application.

Sincerely,

Glenda L. Mah
Senior Regulatory Affairs Specialist
