CAUTION See back panel for additional precautionary statements.

NET WT. 20 Oz. (568 gm)

HOW IT WORKS.

Vertagreen Boric Acid Insecticide Powder is a long-lasting, odorless powder effective in killing roaches and other crawling insects. The powder provides long-lasting protection from further infestations as long as it stays dry. Vertagreen Boric Acid Insecticide Powder sticks to the roaches it comes in contact with. These roaches then spread the powder to other areas where roaches multiply and hide. The end result is all roaches (seen and unseen) are killed. Allow 14 days for the control of roaches.

STOP. READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WHERE TO USE

This product may be used in Homes, Restaurants, Markets, Schools, Warehouses, Factories, Offices, Hotels, Motels, Hospitals, Nursing Homes, Garages, Grocery Stores, Apartment Buildings, New Construction, Industrial Plants, Theatres, Ships, Boats, Trains, Trucks, Yachts, Camps, Mobile Homes, Buses, Zoos, Kennels, Military Bases, Libraries, Utilities and Sewers.

DOMESTIC USE

Use Restrictions: Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuff. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

- Using easy applicator, create a barrier through which cockroaches and other insects must crawl.
- Apply liberally under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer and tubs in kitchen and utility rooms.
- Apply in cracks and crevices, along baseboards, and corners of cabinets, cupboards and closets.
- Apply a line from corner to corner in rear of kitchen cabinets or drill 1/2" holes at top of kick panels beneath cabinets in kitchen and bathrooms, dusting liberally.
- Remove lower drawers in kitchens and bathroom cabinets, bedroom dressers and chest of drawers and liberally duct into drawer wells and under bookshelves.
- Apply into openings and void areas around plumbing, drains, water pipes and electrical conduits.
- Any powder visible after application may be brushed into cracks and crevices or removed. Reapply as necessary.
- Use around window sills and door jams.

CONSTRUCTION SITE USE (Non-edible products areas only)

Application in New and Existing Construction to Control Cockroaches and Other Insects.

1. When treating large areas, such as voids, soffit and subcabinet voids, dust liberally.
2. Dust into pits of dumbwaiters, elevator shafts and trash chutes.
3. In storerooms. Dust under pallets and behind boxes.

STORAGE AND DISPOSAL

Storage: Store product in a cool, dry place inaccessible to children and pets.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION Harmful if swallowed, inhaled, or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid breathing dust.

FIRST AID

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. **If Inhaled.** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

Have this product label with you when calling a Poison Control Center or doctor, or going for treatment.

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.
