CAUTION: Harmful if swallowed. May cause irritation of eyes, nose, throat and lungs. Avoid breathing dust or spray mist. Avoid contact with skin, eyes and clothing. Keep out of any body of water, fish may be killed. When container is empty immediately crush and dispose of by burying with wastes or burning (stay away from smoke or fumes.). Never re-use.

NOTICE TO BUYER: Seller makes no warranty of any kind, expressed or implied, concerning the use of this product. Buyer assumes all risk of use or handling whether in accordance with directions or not.

ACTIVE INGREDIENT	BY WT.
*Monuron	16
INERT INGREDIENTS	98.4%
*p-Chlorophenyl-1,1-dimethyl urea	

EPA EST. NO. 8278-CA-1

MANUFACTURED BY
METRO BIOLOGICAL LABORATORY
 P.O. Box 423, Cypress, Ca 90630

FOR DICHONDRA LAWNS ONLY

**YELLOW OXALIS • ANNUAL BLUE GRASS (POA ANNUA)
 CHICKWEED • BRASS BUTTON**

CAUTION. Keep out of reach of children

See back panel for additional cautions

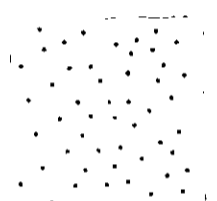

NET WEIGHT 1 POUND (16 OZ.)

DIRECTIONS

Read all directions and cautions. Use only as directed.

Apply directly to soil from shaker container. One pound (1#) of material will treat 500 square feet (20' x 25').

For spot treatment shake on to Oxalis like you are salting your food. The picture on the right shows the approximate number of particles (50 per square inch), you should see per square inch when using the proper rate.

For large areas, remember that 1# covers 500 square feet.

Water thoroughly after treatment.

Do not make more than 2 applications in any 6 month period.

NOTE: Do not apply on or near valuable plants or to areas into which their roots may extend.
