

FROM HEALTH-CHEM
HERCON®
LURETAPE®

WITH PEP: EUGENOL
**JAPANESE BEETLE
FOOD LURE DISPENSER**

HERCON LURETAPE WITH PEP: EUGENOL is a floral food bait that lures Japanese beetles away from valuable ornamentals, flowers, and shrubs and into a Japanese beetle trap.

Because of Hercon's unique controlled release dispensing system, each Luretape dispenser is designed to last for the entire trapping season.

PRECAUTIONARY STATEMENTS

Avoid contact with skin and eyes. Wash hands thoroughly with soap and water. If irritation occurs seek medical attention.

STORAGE AND DISPOSAL

STORAGE: Store in a cool place until used. Do not contaminate water, food, or feed by storage or disposal.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not open protective pouch until ready to use. Attach Luretape with Pep: Eugenol dispenser to the Japanese beetle trap. Use one Luretape with Pep: Eugenol dispenser per trap. For improved beetle catches, Luretape with Pep: Eugenol is recommended for use with the EPA registered Hercon Luretape with Japonilure baits. Follow Japanese beetle trap label for application rate and other directions.

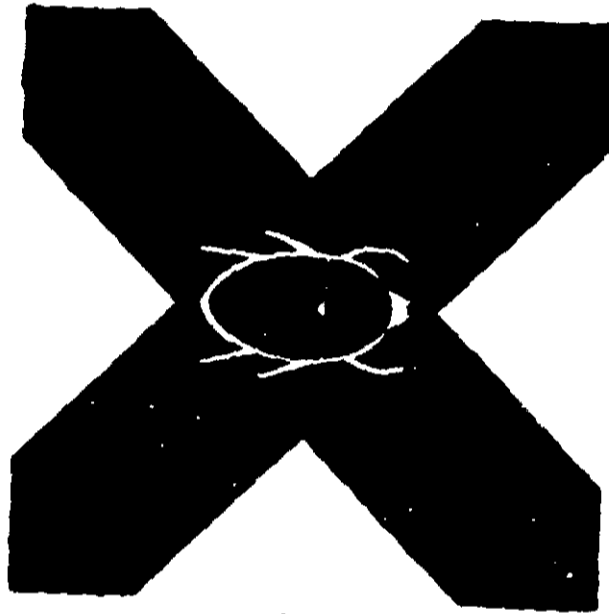

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
