Ms. Laura T. Zeoli  
Hercon Laboratories Corporation  
Health-Chem Corporation  
Research and Development Laboratories  
200B Corporate Court, Middlesex Business Center  
South Plainfield, NJ 07080

Dear Ms. Zeoli:

Subject: Amendment - Additional Use/Label Review  
VAPORTAPE II  
EPA Registration No. 8730-32  
Your Letter Dated December 31, 1985

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you make the labeling changes indicated below, prior to release for shipment of product bearing the amended labeling.

1. Revise the "Precautionary Statements" to read:

"Caution: Avoid contact with eyes and mouth. Do not open protective pouch until ready to use. After prolonged storage, a small amount of liquid may form on the strip. Do not get liquid in mouth or in eyes. Wash hands thoroughly with soap and water after handling strip."

2. Revise the second sentence under the "Environmental Hazards" section to read, "Do not apply directly to water."

3. We have no objection to any of the proposed new uses; however, the wording "including but not limited to" implies other unnamed uses and, therefore, goes beyond the sites and pests on the proposed label. This term must be deleted. The statement

B6012:Shell;LR-3:KENCO:5/9/86:5/16/86:DE:JH

CONCURRENCES

should read as follows: Hecoon Vaportape II is to be used only as the toxicant strip in the following registered insect traps: gypsy moth, spruce budworm . . . ."

4. Under the "Directions For Use" please indicate how long this strip is effective, unless this information is provided in the trap package. The label should also identify the names of the traps this strip can be used in.
5. Revise the "Disposal" statement to read "Do not reuse empty pouch or strip. Wrap strip in several layers of newspaper and discard in trash."
6. Add a street address or P.O. Box Number under the company name.
7. The front panel statement should read ". . . Toxicant in Registered Insect Traps."

Please submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca  
Product Manager (15)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767C)

Enclosure

VAPORTAPE<sup>TM</sup> II

Insecticidal Strips for Use as Toxicant in Insect Traps

with COMMENTS  
in EPA Letter Dated:

MAY 13 1986

CONTENTS: \_\_\_\_\_ insecticidal strips

MIN. NET WEIGHT: 0.016 ounces/square inch

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the purpose of  
registered under EPA Reg. No. 8730-32

OUT OF REACH OF CHILDREN

CAUTION

EPA Reg. No. 8730-32

EPA Est. No. 8730-PA-01

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Caution. Do not open protective pouch until ready to use. Keep out of reach of children. After prolonged storage, a small amount of liquid may form on the strip. Avoid contact with eyes and mouth. Wash hands thoroughly with soap and water after handling strip.

Environmental Hazards

This product is toxic to fish and wildlife. Do not apply directly to lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

HERCON VAPORTAPE II is to be used only as the toxicant strip in insect traps, including but not limited to gypsy moth, spruce budworm, Mediterranean fruit fly, and forest tent caterpillar. Do not use strip for any other purpose. Read the Directions for Use accompanying the trap before opening the trap package.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place.

Disposal: Do not reuse empty pouch or strip. Wrap and dispose in trash collection.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
