 REREGISTRATION

(Under the Federal Insecticide, Fungicide  
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT  
Hercon Insectape With  
Propoxur

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Hercon Environmental Company  
Aberdeen Road  
Emigsville, Pennsylvania 17318

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 8730-53" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended for the pesticide registration under EPA Reg. No. 8730-53

HERCON<sup>®</sup>

# INSECTAPE<sup>®</sup> WITH PROPOXUR

*Insecticidal Strips*

**Kills Boll Weevil, Adult Gypsy Moth  
and Medfly in Insect Traps**

**HOW STRIPS WORK:** A patented controlled release system provides the product's long-acting insecticide is sealed in a reservoir within the multilayered strip. As the surface of the strip is exposed to the insect or other activity, replacement insecticide automatically moves up from the reservoir to maintain potency at all times.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Do not open protective pouch until ready to use. Keep out of reach of children. Harmful if chewed or swallowed. Avoid contact with eyes and clothing. Wash hands with soap and water after use.

**STATEMENT OF PRACTICAL TREATMENT**

**If on skin:** Wash thoroughly with soap and water. **If in eyes:** Flush eyes with water. **If swallowed:** Call a physician. Note to Physician: Atropine is antidotal.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

HERCON INSECTAPE WITH PROPOXUR is designed to be used as a trap for boll weevil, adult gypsy moth and Mediterranean fruit fly (Medfly). Read directions for use on the trap before opening the Insectape package.

**FOR BOLL WEEVIL, ADULT GYPSY MOTH AND MEDFLY IN INSECT TRAPS**

Size of strips to be used depends on the target insect and trap design. For boll weevil, place a piece, from 0.25-sq.in. to 1.0-sq.in. of INSECTAPE inside the trap. For an adult gypsy moth trap, such as a "m" trap, use up to six 1-in X 4-in. strips. With a Steiner-type medfly trap, use three strips. Replace strips when effectiveness is noticeably diminished. Use of gloves when cutting strips is necessary.

**STORAGE AND DISPOSAL**

**Storage:** Store in sealed pouch in a cool, dry place until used. **Pesticide Disposal:** Wrap used strips and discard in trash. **Container Disposal:** Do not reuse pouch in trash.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with label.
