FUNGICIDE

ACTIVE INGREDIENTS:	
Sodium o-phenylphenate	23.0%
INERT INGREDIENTS:	<u>77.0%</u>
	100.0%

Contains 3.1 lbs. sodium o-phenylphenate tetrahydrate per gallon.

CAUTION

Keep out of the reach of children. Harmful if swallowed. May cause skin irritation. Avoid contact with skin and eyes. In case of contact, flush with plenty of water; for eyes get medical attention. Avoid prolonged or repeated contact with diluted solutions. Do not contaminate water by cleaning of equipment, or disposal of wastes.

FUNGICIDE

ACTIVE INGREDIENTS:

Sodium o-phenylphenate 23.0%

INERT INGREDIENTS: 77.0%
100.0%

Contains 3.1 lbs. sodium o-phenylphenate tetrahydrate per gallon.

CAUTION

Keep out of the reach of children. Harmful if swallowed. May cause skin irritation. Avoid contact with skin and eyes. In case of contact, flush with plenty of water; for eyes get medical attention. Avoid prolonged or repeated contact with diluted solutions. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Net contents 30 gallons
USDA Reg. No. 8764-9

Store above 32° F.

DIRECTIONS FOR USE

TANK AND SPRAY WASHERS: Charge washer tank with diluted Freshgard 20, treat as indicated for specific product, and rinse with potable fresh water. Test treating solutions for concentration, pH, and temperature, immediately correcting any variance from the recommended values. Raise pH by careful addition of caustic soda solution. Heated Freshgard washes require very close supervision. Observe the treating time limitations and avoid prolonged treatment during operational shutdowns. Treatment at low pH, or failure to rinse, may cause alkali injury. Do not use in undiluted form. Not suitable for use in foam washers.

The treating concentration, expressed as percent sodium o-phenylphenate tetrahydrate, is given in () following each dilution instruction.

APPLES and PEARS: Blue mold, Gray mold. Use 1 gal. in 75 gal. water (0.5%), pH 11-12, 40°-80° F., 30 seconds to 2 minutes as dip or flood, followed by fresh water rinse.

CITRUS FRUITS: Blue and Green molds, Gray mold, Stem end, and Trichoderma rots. Use 1 gal. in 75 gal. water (0.5%), pH 11.7-12.0, 90°-115° F., 2-4 minutes in wash tank, followed by fresh water rinse.

TERMS OF SALE OR USE: On purchase or use of this product buyer and user agree to the following conditions:

WARRANTY: Riverside Division warrants that this product, as of the time of sale by Riverside Division, (1) conforms to the ingredients statement on the label, and (2) is reasonably fit for the purposes set forth in the Directions for Use. EXCEPT AS SO WARRANTED THE PRODUCT IS SOLD AS IS. RIVERSIDE DIVISION MAKES NO OTHER WARRANTY EXPRESS OR IMPLIED.

DAMAGES: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages. Notice of any claim must be reported to Riverside Division within 10 days of discovery by buyer or user, failing which buyer or user waives any claim for such damage.

EXCUSE FROM NON-CONTROLLABLE CONDITIONS: Because of certain critical conditions created or incurred by buyer or user over which Riverside Division has no control, buyer or user, as a condition of purchase or use, assume responsibility for and release Riverside Division from, liability arising out of the handling or use of the product attributable to such causes. No person is authorized to vary or waive any statement contained herein.
