Triple Action
Pleasantly Scented

CEDAR

Kills Moths - Prevents Mildew - Deodorizes

Remove cellophane from cake. Brush articles thoroughly before storing. Use one cake to every 20 cu. ft. of confined space in tight containers such as: storage closets and storage chests. Replenish as needed, especially when containers are opened or unsealed.

As deodorant, overcomes many unpleasant odors.

Active ingredient: Paradichlorobenzene 99½%

Inert ingredient: Essential oil ½%
