HABCO 10T
(GRANULAR)

PRODUCT NO.

GENERAL INFORMATION

HABCO 10T is a non-selective herbicide designed for use where control of all vegetation is desired. It is specific for extended weed control in non-crop areas such as railroad rights-of-way and yards, highways, around utility poles, along fence lines or pipelines, storage yards, industrial sites and similar non-crop areas where vegetation might create a fire, drainage or appearance problem.

DIRECTIONS FOR USE

For Annual Grasses And Weeds — Apply 100 to 200 pounds per acre (1/4 to 1/2 pound per 100 square feet.)

For Perennial Grasses And Weeds — Apply 200 to 400 pounds per acre (1/2 to 1 pound per 100 square feet.)

APPLICATION

Broadcast by gloved hand or with a conventional spreader that can accurately apply uniform coverage over the area to be treated. Power equipment using the airstream system is also available. The treatment may be applied at any time of the year but moisture is needed to carry the chemical into the root zone of the soil. Best time of treatment is before vegetation has emerged or when weeds are small.

DRAFT C 71-4511
E.P.A. EST. 2342-F-1

A Granular Grass And Weed Killer

CAUTION: Keep out of the reach of children.

MAY CAUSE IRRITATION OF EYES, NOSE, THROAT, AND SKIN. Avoid breathing dust. Avoid contact with skin, eyes, and clothing.

IMPORTANT

Do NOT apply on or near desirable trees or other plants, or on other areas where their roots may extend, or in locations where the chemical may be washed or moved into contact with their roots. Do NOT use on lawns, walks, driveways, tennis courts, or similar areas. Do NOT apply near desirable plants. Do NOT contaminate domestic or irrigation waters. Keep from contact with fertilizer, insecticides, fungicides, and seeds. Thoroughly clean application equipment after use. Do NOT use equipment with which HABCO 10T has been applied for applying insecticides, fungicides, and fertilizers as plant injury may result.

ACTIVE INGREDIENTS	BY WT.
Monuron (3-(p-chlorophenyl)-1,1-dimethylurea)*	8.00%
INERT INGREDIENTS	92.00%
TOTAL	100.00%

*Equivalent to 10% Tevor, a registered trademark of E. I. duPont de Nemours & Co.
* HABCO is the exclusive trade mark property of HABCO, INC.
