HABCO* HYCHLOR 3H
A GRANULAR GRASS AND WEED KILLER

PRODUCT NO.
20-739041

GENERAL INFORMATION

HABCO HYCHLOR 3H is a non-selective herbicide designed for use where control of all vegetation is desired. It is specific for extended weed control in non-crop areas such as railroad rights-of-way and yards, highways, around utility poles, along fence lines or pipelines, storage yards, industrial sites and similar areas where vegetation might create a fire or appearance problem.

DIRECTIONS FOR USE

FOR ANNUAL GRASSES AND WEEDS — Apply 300 to 400 pounds per acre ($\frac{3}{4}$ to 1 pound per 100 square feet).

FOR PERENNIAL GRASSES AND WEEDS — Apply 300 to 600 pounds per acre ($\frac{3}{4}$ to 1½ pounds per 100 square feet). Hard-to-kill vegetation such as Johnsongrass, Bermudagrass and Vaseygrass may require 800 pounds per acre (2 pounds per 100 square feet).

APPLICATION

Broadcast with a conventional hand or power spreader that can accurately apply uniform coverage over the area to be treated. Power equipment using the airblast system is also available.

CAUTION: Keep out of the reach of children. See other cautions on this label.

ACTIVE INGREDIENTS:

Sodium Chlorate (NaClO ₃)	41.0%
Sodium Metaborate (Na ₂ B ₂ O ₄ • 5H ₂ O)*	51.0%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)**	2.4%

INERT INGREDIENTS

5.6%

100.0%

*Equivalent to 4.97% boron expressed as elemental boron.

**Equivalent to 3.0% Hyvar-X,® a product of E. I. DuPont DeNemours & Co., Inc. U.S. Patent 3,235,357

EPA Reg. No. 8823-17

The treatment may be applied at any time of the year but moisture is needed to carry the chemical into the root zone of the soil. Best time of treatment is before vegetation has emerged or when weeds are small.

CAUTION

Harmful if swallowed. Avoid contact with skin and clothing. Wash clothing and equipment after use. Do not leave container where children or animals may take internally.

Avoid use on or near turf, valuable trees or other desirable plants. Do not apply to areas underlaid by roots of desirable trees and shrubs. Avoid drift to desirable plants. Do not contaminate water used for irrigation or drinking. Do not store with food-stuffs. Store in cool, dry place.

Do not reuse container. Destroy when empty.

Do NOT contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed.

The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
