HABCO CHLORATE LIQUID NO. 1010

A LIQUID GRASS AND WEED KILLER

GENERAL INFORMATION

HABCO CHLORATE LIQUID NO. 1010 is a non-selective herbicide designed for use where control of all vegetation is desired. It is specific for extended weed control in non-crop areas such as railroad rights-of-way and yards, highways, around utility poles, along fence lines or pipelines, storage yards, industrial sites and wherever vegetation might create a fire or appearance problem.

DIRECTIONS FOR USE

FOR ANNUAL GRASSES AND WEEDS ^{annual} - Apply 60 to 120 gallons per acre.

FOR PERENNIAL GRASSES AND WEEDS ^{perennial} - Apply 120 to 200 gallons per acre.

APPLICATION

Apply with any on or off track equipment that will accurately apply uniform coverage over the area to be treated. Low pressure sprayers that permit the application of substantially large volume at minimum pressure are preferable due to lesser chance of drift. Best time of treatment is when weeds are small.

ACCEPTED

NOV 2 1973

UNDER FEDERAL INSECTICIDE FUNGICIDE AND RODENTICIDE ACT FOR ECONOMIC POISON REGISTERED UNDER NO. 1010-2 SUBJECT TO ATTACHED COMMENTS

CAUTION

KEEP OUT OF REACH OF CHILDREN

See Other Cautions On This Label

ACTIVE INGREDIENTS:

Sodium Chlorate 10.62%
Sodium Metaborate, anhydrous (Na₂B₂O₄) . 10.62%

INERT INGREDIENTS

Water 78.76%

100.00%

*Equivalent to 1.75% elemental boron.

EPA Reg. No. 8823-39

CAUTION

Harmful if swallowed. Avoid contact with skin, eyes, or clothing. In case of contact, flush eyes with plenty of water for at least 15 minutes and get medical attention; wash skin with plenty of soap and water. Repeat if necessary.

DO NOT allow solution or spray drift to contact desirable plants. (Coarse sprays are less likely to drift than fine mist sprays.) DO NOT transport with or store near seeds, fertilizers, insecticides, or fungicides. Store at temperatures above 32 degrees F. If allowed to freeze, remix before using.

DO NOT apply to areas underlaid by roots of desirable trees or shrubs. DO NOT contaminate water used for irrigation or domestic purposes. DO NOT contaminate water by cleaning of equipment, or disposal of wastes.

IMPORTANT NOTICE

Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of the material not in strict accordance with directions given herewith.
