

# **FOODLAND**®

1. For Bleaching clothes in suds, soap and wash the clothes as usual in hot water, fill a pail with warm (not hot) water and add two cupfuls of FOODLAND Bleach. Stir. Pour the pail of bleach into the tub of clothes and mix thoroughly. Allow the bleach to work for ten minutes, wring out the clothes and rinse in clear water.

2. For Bleaching clothes in clear. After washing the clothes in the regular way wring out the clothes into basket. Empty the tub and fill with clean warm water. Add one cup of FOODLAND Bleach and mix with water. Put in clothes and allow to stand for ten minutes. Wring out and dry. FOODLAND Bleach may be used in all washing machines without damage to the metal.

3. For Cleaning and Disinfecting Sinks. Fill sink with about 1 inch of water. Put in one cup of FOODLAND Bleach and mix well. Allow to stand for two hours.

4. For Cleaning and Disinfecting Bathtubs. Use two cups of bleach to half the tub of water.

5. For Cleaning and Disinfecting Toilet Bowls. Add a cup of bleach and allow to stand for short while. Swab all surfaces. Flush.

6. For Cleaning Tile Floors. Add a cup of bleach to a pail of warm water and wash tile.

7. For Washing Dishes. A few spoonfuls added to dish water will keep the dishes bright and clean.

8. Fill garbage pail with water and add a cup of bleach. Stir and allow to stand for an hour.

**CAUTION:** Undiluted FOODLAND bleach will irritate skin or eyes. Rinse immediately. If taken internally, feed cooked cereal followed by salad oil. Call doctor.

Do not use in copper, aluminum or iron vessels.  
Use in porcelain or enamel lined vessel.
