DIRECTIONS FOR USE

For a complete and accurate list of uses and directions for use, see the back panel of this container. This product is a professional strength insecticide. Some insects require only one application.

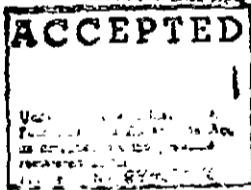

Apply to the surface of the insect. Do not use on food or food containers. Do not use on clothing or bedding. Do not use on children's toys. Do not use on pets.

For fleas and lice on pets, thoroughly comb the pet's hair. Apply to the back of the neck and the base of the tail. Repeat every 7-10 days.

For roaches and ants, apply to the base of the infestation. Repeat every 7-10 days.
