#### DIRECTIONS FOR USE

This is concentrated insecticide. To mix, add contents of this concentrate to one gallon of water. DO NOT use until you have thoroughly read instructions attached hereto. It is a violation of Federal law to use this product in a manner inconsistent with its label. To spray infested surfaces thoroughly, wet.

**ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS:** Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray until wet surfaces behind and beneath cabinets, refrigerators, sinks, stoves and other appliances. Spray other localized areas infested with these pests. Repeat treatment as required.

**CARPET BEETLES:** Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

**FLEAS AND BROWN DOG TICKS:** Thoroughly spray infested area around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as reinfestations occur. Fresh bedding should be placed in animal quarters following treatment. DO NOT treat animals with this formulation.

**FLIES, MOSQUITOES, OUTDOORS:** For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects might congregate. Repeat as necessary.

**ANTS AND BROWN DOG TICKS, OUTDOORS:** For treatment of localized infestations of these insects in outdoor areas where there are weeds or brushy non-crop areas, spray infested areas thoroughly. For ants, spray along walls and run ways. Repeat applications as infestations warrant and as reinfestations occur.

**NOTE:** Do not replace shoes and food until spray is dry. Do not eat any food that has been sprayed.
