#### **READ ENTIRE LABEL BEFORE USE**

#### **DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### **SHAKE WELL BEFORE USING**

Spot test first on surfaces that can be harmed or stained by water.

**To Kill Fleas & Ticks on Dogs, Cats & Premises:** Apply directly to animals along back, under forelegs and on other areas except scrotum and anus. Part hair to contact skin and insure good coverage. Hold nozzle about one foot away while spraying. Apply until animal hair is thoroughly saturated. Do not spray directly in eyes or mouth of animal. Repeat within 24 hours of first treatment if necessary. To reduce reinfestation thoroughly spray the animal's bedding and other resting areas until the surface is slightly moist. Also spray the entire inside surface of dog houses. Repeat as necessary, thoroughly spraying floors, cracks, crevices and bedding. Hit as many insects directly as possible.

#### **STORAGE AND DISPOSAL**

**Storage:** Store in a cool place away from heat, direct sunlight or open flame. Keep in original container and preferably in a locked storage area. **Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

#### **PRECAUTIONARY STATEMENTS**

##### **Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed. Avoid contact with eyes, skin or clothing. Avoid contamination of feed, foodstuffs, cooking utensils and food preparation surfaces. Remove pets (except for pet being treated), birds, and cover fish aquariums before spraying. Do not remain in treated areas. Ventilate the area when treatment is complete.

#### **Statement of Practical Treatment**

In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Seek medical attention if irritation persists. If a call a physician.

#### **ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Keep out streams or ponds. Do not apply where likely to occur. Do not apply when conditions favor drift from areas treated. Contaminate water by cleaning of equipment disposal of wastes.

**NOTICE:** Buyer assumes all responsibility and use not in accordance with directions.
