PRECAUTIONARY STATEMENTS

CAUTION

Hazards to Humans and Domestic Animals

Harmful if swallowed or absorbed through skin. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. Remove pets, birds and cover fish aquariums before spraying. Do not apply directly to food in commercial food handling facility. Cover or remove any food utensils and food processing equipment during application. Do not apply while food processing is underway. After space spraying in packing plant, bakery and other food processing plants, wash all equipment, benches, shelving, etc. where exposed food will be handled with potable water.

Statement of Practical Treatment

If Swallowed: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Never induce vomiting or give anything by mouth to an unconscious person. **If on Skin:** Wash contaminated clothing and wash affected areas with plenty of soap and water. **If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated. **NOTE TO PHYSICIAN:** This product may cause cholinesterase inhibition. Atropine is antidotal. 2-PAM may be effective as an adjunct to atropine.

Environmental Hazards: This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

Physical and Chemical Hazards: Do not use or store near heat or open flame.

Storage and Disposal

Storage: Store in a cool place away from heat, direct sunlight, or open flame. Keep in original container and preferably in a locked storage area. **Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

Rid a Bug FIRE ANT KILLER is intended as a spot treatment for individual fire ant mounds.

Rid-a-Bug®

FIRE ANT KILLER MOUND DRENCH MAKES 5 GALLONS

Active Ingredients:

Chlorpyrifos [O,O-Diethyl O-(3,5,6-trichloro-2-pyridinyl) phosphorothioate]	0.50%
Inert Ingredients: *	99.50%
TOTAL	100.00%

* Contains xylene range aromatic solvent.

Keep Out of Reach of Children
CAUTION

See Back Panel for Additional Precautionary Statements

Net Contents: One Gallon (128 fl. oz.)

ECONOMICAL CONCENTRATE ... MAKES FIVE GALLONS!
WATER-BASED ... WON'T BURN LAWNS OR ORNAMENTALS.
ESPECIALLY FORMULATED WITH THREE FLUSHING AGENTS.
EASY TO USE ... LONG-LASTING PROTECTION.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use until you have thoroughly read instructions attached hereto.

RECREATIONAL USE: In addition to individual homeowner use, Rid A Bug FIRE ANT KILLER may be used on parks, recreation areas, athletic fields, golf courses and commercial turf.

TO CONTROL FIRE ANTS: Dilute one and a half pints of Rid A Bug FIRE ANT KILLER in a GAL. OF WATER. Apply 1-gallon of solution as a gentle rain to each fire ant mound using a sprinkler can. Thoroughly wet mound and surrounding area to a 4-foot diameter (12.5 sq. ft.). For best results, apply in cool weather, 65-80°F, or in early morning or late evening hours. Treat new mounds as they appear. Do not disturb the mound prior to treatment. If possible, treat all mounds in the vicinity, and treat all colonies which may not as yet have constructed a mound. Larger quantities of solution can be prepared for multiple mound treatments. Equipment to deliver the diluted product as a gentle rain at the rate of 1-gallon per mound is still required. Pressurized sprays may disturb the ants and cause migration, reducing product effectiveness.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
