

16 NOV 1994

Ms. Jill Preece
 Spectrum Group
 Division of United Industries Corporation
 P.O. Box 15842
 St. Louis, Missouri 63114

Dear Ms. Preece,

Subject: Revised Labeling; Alternate **Confidential Statement of Formula**
 Hot Shot Flying Insect Killer Formula 411
 EPA Registration Number 8845-63
 Submissions Dated 14 June 1994, 14 July 1994, 27 September 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Three (3) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the product label is enclosed for your records.

1. Delete the label claim "The only household insect killer you need". This statement is misleading and is not acceptable for use on this pesticide product label.
2. The term "New" may be used for a period of one year from the date of this letter. This letter also acknowledges receipt and acceptance of the Alternate **Confidential Statement of Formula** dated 14 July 1994.
3. The following label claims are acceptable for use and may be used on the product label for this pesticide:
 - a. Spring Fresh Scent
 - b. Note: Check carpet or furniture manufacturer's warranty and care and maintenance information before using this product on your specific brand of carpeting or furniture.
4. The alternate brand name "Spectracide® Bug Stop!" is acceptable.

Sincerely,

Mr. Marion J. Johnson, Jr.
 Acting Product Manager 10
 Insecticide-Rodenticide Branch

Kills: Flies, Mosquitoes, Cockroaches, Spiders, Fleas, Small Flying Moths and others listed below

STOP (optional). READ ENTIRE LABEL BEFORE USE. Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE. HOLD CONTAINER UPRIGHT. APPLY IN SHORT BURSTS.

To kill Flies, Mosquitoes, Small Flying Moths and Gnats: Close all doors and windows and direct spray upward into center of room with a slow sweeping motion. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying. Ventilate room thoroughly before reentry. Sweep up and destroy fallen insects.

To kill Cockroaches, Ants and Crickets: Contact as many insects as possible with the spray in addition to thorough spraying of all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, hidden surfaces under sinks, behind stoves and refrigerators, food storage areas and wherever these pests are suspected of hiding. **To kill ants,** treat doors, around window frames, ant trails and other areas of entry. Repeat as necessary.

To kill Carpet Beetles: Directly spray as many insects as possible. Spray both interior and exterior of upholstered furniture. Both top and bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture and wherever these insects are seen or suspected. Repeat as necessary.

To kill Exposed Forms of Confused Flour Beetles, Saw-toothed Grain Beetles and Rice Weevils: Find and destroy infested package goods. Remove all other items from pantry. Spray the shelves to kill any of the named insects present. Place clean paper on the shelves and return packages after the shelves have dried. Repeat as necessary.

To kill Sowbugs, Centipedes, Firebrats and Spiders: Contact as many insects as possible with the spray. Also thoroughly spray all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, crevices, hidden surfaces under sinks, behind stoves and refrigerators.

To kill Fleas and Brown Dog Ticks: Remove and destroy old pet bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary. **Do not spray animals.** Put fresh bedding in pet's quarters after spray has dried. Also

treat dogs and cats with a product before allowing

STORAGE AND DISPOSAL: Store in cool, dry area away from flame. Replace cap, wrap container in newspaper, and discard or incinerate.

PRECAUTIONARY STATEMENTS - Hazards to Humans and Domestic Animals: **CAUTION:** Harmful if swallowed. Avoid breathing vapor and contact with skin and eyes. Remove pets, birds and fish before spraying. In the home, wash dishes and utensils should be covered and washed before use. Cover or remove food before spraying.

Statement of Practical Use: **If Swallowed:** Call a physician immediately. Drink 1 or 2 glasses of water. If vomiting by touching back of throat, vomit fluid is clear. Never induce vomiting in an unconscious person. Wash contaminated clothing and water. **If In Eyes:** Flush eyes with water. Call a physician if irritation persists. Breathe fresh air.

Physical or Chemical Hazards: Contents under pressure. Do not puncture or incinerate. Heating above 130°F may cause burning or explosion.

NOTICE: Seller warrants that the product described in this description and is reasonably fit for the use intended, neither this warranty nor any other warranty shall constitute a warranty of FITNESS FOR A PARTICULAR PURPOSE. The use of this product contrary to the directions on the label, or under conditions not intended by the buyer assumes the risk of any such use.
