STOP! READ ENTIRE LABEL BEFORE USE. DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
SHAKE WELL BEFORE USING. Repeat treatment at four week intervals for continuous control of fleas.

TO KILL FLEAS AND BROWN DOG TICKS IN CARPETING, RUGS, UPHOLSTERED FURNITURE AND PET RESTING AREAS: Direct spray downward toward rugs and carpeting. Thoroughly apply in a slow, sweeping motion, holding can 18-24 inches from treated surface. Spray surfaces at a rate of 90 seconds for every 100 square feet. Spray exterior and underneath upholstered furniture, underneath removable cushions, in closets and wherever else these insects are seen or suspected. **Do not spray exposed wooden portions of upholstered furniture. Avoid excessive wetting of upholstered surfaces.** Leave treated area and do not return for one hour. Do not allow people or pets to walk on treated surfaces until they are completely dry. Ventilate room thoroughly before re-entry. For maximum results put off cleaning carpets, floors and furniture with detergents or cleansers for one week. Vacuuming, however, will not affect treated surfaces. *Note: Check carpet or furniture manufacturer's warranty and care and maintenance information before using product on your specific brand of carpeting or furniture.*

TO KILL FLEAS AND TICKS AROUND PET AREAS: Remove and destroy pet's old bedding. Spray sleeping areas of pets, around baseboards, wall cracks and focal areas of floors. **Do not spray animals.** Put fresh bedding in pet quarters after spray has dried. Treat dogs and cats with a flea and tick product registered for application directly on pets before allowing them to re-enter treated area.

STORAGE AND DISPOSAL
Store in cool, dry area away from heat or open flame. Discard container in trash. Do not incinerate or puncture container.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION: Harmful if swallowed. Avoid contact with eyes, skin or clothing. Avoid breathing mist. Wash thoroughly after handling and before

eating or smoking. Do not use in food areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. In the home, all food processing surfaces, exposed food and utensils should be covered during treatment or thoroughly washed before use. Remove pets, birds and cover fish aquariums before spraying. Do not allow children or pets to contact treated surfaces until dry.

Statement of Practical Treatment
If Swallowed: Do not induce vomiting. Contains aromatic petroleum solvent. Call a physician or Poison Control Center immediately. **If on Skin:** Wash thoroughly with soap and water. Get medical attention if irritation persists. Remove and wash any contaminated clothing. **If in Eyes:** Flush eyes with water for 15 minutes. Get medical attention if irritation persists. **If Inhaled:** Remove victim to fresh air. **NOTE TO PHYSICIAN:** Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote. Product contains aromatic petroleum distillate.

Physical and Chemical Hazards
Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
