US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 8845-93	DATE OF ISSUANCE NOV 25 1985
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Spectracide (Bracket Killer)	

NOTICE OF PESTICIDE: REGISTRATION REREGISTRATION
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Kenco Chemical & Manufacturing Corp.
 P.O. Box 6246
 Jacksonville, FL 32236

161 / 152362
18 / 1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This pesticide is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) because it is:

1. Submitted to the Agency data required for registration/reregistration in your possession, FIFRA sec. 3(c)(5) and the Agency requires all registrants of similar products to submit such data.
2. Make no label and changes listed below but do not release the product for shipment:
 - a. Add the phrase "EPA Registration No. 8845-93."
 - b. Revise 3.2.2. in form a to include "caution," such as "Caution."
 - c. Add "Water toxicity after application."
3. A Statement of Practical Treatment must be added to the labeling. We suggest the following statement: However, if your toxicological data support this claim, please submit a draft Statement of Practical Treatment for our approval:

If you are ill - Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the

back of throat with a finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

- If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.
- If on skin - Remove contaminated clothing and wash affected areas with soap and water.
- If in eyes - Flush eyes with plenty of water. Call a physician if irritation persists.

Note to Physician - If symptoms of cholinesterase inhibition are present, atropine sulfate is antidotal. 2-Pam is also antidotal and may be administered in conjunction with atropine.

e. Change "Keep out lakes, streams, or ponds" to "Do not apply directly to any body of water."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

Enclosure

ACCEPTED
with COMMENTS
in EPA Letter Dated:

NOV 25 1985

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

8845-93

Spectracide Cricket Killer is designed especially for outdoor control of crickets and ants. These pests are commonly found around or near foundations of houses as well as in lawns.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use As A Band Treatment Around House Foundations

How To Apply:

Apply a 5-foot band of Spectracide Cricket Killer next to the house foundation. Distribute granules uniformly, using a rate of 3.2 oz. for each 100 sq. ft. area (5' band x 20' length) treated.

When To Apply:

Apply when insects are present, especially in late spring or early fall. Repeat as necessary.

Disposal

Do not reuse empty container. Wrap container and put in trash collection.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid contamination of food and feed. Do not store near food or feed products. Avoid inhalation of dust. Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling. May be absorbed through skin. Keep children and pets off treated areas. In the event of an emergency, call (919) 292-7100 day or night.

Environmental Hazards

This product is toxic to fish and wildlife. Keep out of lakes, streams, or ponds. Apply this product only as specified on this label.
