

NOV 2 1990

Ms. R. Claire Bousquet  
The Spectrum Group  
Division of United Industries Corp.  
P.O. Box 15842  
St. Louis, MO 63114

Dear Ms. Bousquet:

Subject: Allethrin Stereoisomers Reregistration Standard  
Sumithrin Reregistration Standard  
Rid-a-Flea Shampoo  
EPA Registration No. 8845-103  
Your Application Dated August 13, 1990

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. The words **ACTIVE INGREDIENTS** and **INERT INGREDIENTS** must be printed in type of the same size and be given equal prominence.
2. Delete the phrase, **pleasantly perfumed insecticide shampoo**, from the label. Words or phrases implying that a product possesses unique characteristics because of its composition are not acceptable.
3. Under the subheading, **Hazards to Human and Domestic Animals**, revise the statements as follows:  
  
Avoid contact with skin, eyes or clothing. Wearing gloves during use is advised as prolonged exposure to solution and soil may irritate the skin. In case of contact immediately flush eyes or skin with plenty of water. Wash thoroughly with soap and water after handling. Get medical attention if irritation persists. Do not apply to nursing puppies less than 3 months old.
4. Under **Storage and Disposal** revised the statement as follows:

Do not reuse container. Rinse thoroughly then securely wrap original container in several layers of newspaper

17 2/3

and discard in trash.

5. Under the Statement of Practical Treatment, change the If on Skin statement to be as follows:

IF on Skin - Remove contaminated clothing and wash affected areas with plenty of soap and water.

Submit five copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely,

Phil Hutton  
Product Manager 17  
Insecticide-Rodenticide Branch

**PRECAUTIONARY STATEMENTS**

**CAUTION**

**Hazards to Humans and Domestic Animals**

Avoid contact with eyes. Wearing gloves during use is advised as prolonged exposure to solution and soil may irritate the skin.

**Statement of Practical Treatment**

**If Swallowed:** Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Never induce vomiting or give anything by mouth to an unconscious person.

**If on Skin:** Rinse skin thoroughly after completing shampoo.

**If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

**Environmental Hazards**

This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Drift and runoff from treated sites may be hazardous to fish and to aquatic organisms in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

**Physical and Chemical Hazards**

Do not use or store near heat or open flame.

**Storage and Disposal**

**Storage:** Store in a cool place away from heat, direct sunlight, or open flame. Keep in original container and preferably in a locked storage area.

**Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.
