

NOTICE OF REGISTRATION UNDER THE FEDERAL
INSECTICIDE, FUNGICIDE, AND RODENTICIDE ACT

NAME AND ADDRESS OF REGISTRANT

Safeguard Chemical Company, Inc.
1004 Jennings Street
Bronx 57, New York

Attention: Mr. Mourad S. Nersesian

NOTE: Changes in labeling or formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Pesticides Regulation Division prior to use of the label in interstate commerce. In any correspondence on this product always refer to the above registration number.

On the basis of the information furnished by the registrant, the above named economic poison is hereby registered under Section 4 of the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this registration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Department. In order to protect the public, the Secretary, on his own motion, may at any time cancel the registration of an economic poison in accordance with Section 4(c) of the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by a trademark held by others.

The following paragraphs are applicable only when checked:

- To expedite registration, this notice is being issued on the basis of the draft submitted with the application. Certain defects, given below, have been noted. These corrections must be incorporated when the printed labeling is prepared. Five copies of the printed labeling must be submitted to complete the file on this product.
- The registration for this product is being issued with the understanding that certain defects in the labeling which are noted below will be corrected as soon as possible. Objection is not raised to the use of the present labeling for a reasonable period of time while fully corrected labeling is being prepared. Five copies of the corrected labeling must be submitted.
1. On the "4 Fl. ozs." and "8 Fl. ozs." label copy, the types of surfaces to be treated should be listed.
2. On the "1 Pt." label copy the words "showers, stalls," should be corrected to read "shower stalls" if this is the intended use of the product.
3. The concentration recommended for disinfecting should be the same for all size labels of the product.
4. The finished label must bear the product registration number preceded by "USDA Reg. No." or "USDA Registration No."

ACCEPTED
Sep-16-1965
UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND ROENTICIDE ACT
FOR ECONOMIC POISON REGISTERED
UNDER NO. 8848-1

Directions: One tablespoon to each quart of water cleans, deodorizes floors, washable painted walls, woodwork, closets, storage areas, cabinets, toilets, tubs, sinks, showers, stalls, tile, stoves, refrigerators, garbage and diaper pails. To disinfect use double strength. Apply so as to wet surface thoroughly.

Recommended for all household cleaning and disinfectant purposes to kill most germs. Leaves house with a refreshing pine scent.
