OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

Safeguard Chemical Company c/o Ms. Kim Davis RegWest Company, LLC 8203 West 20<sup>th</sup> Street, Suite A Greeley, CO 80634-4696

DEC 2 9 2010

Dear Ms. Davis:

Subject: Application for Pesticide Notification (PRN 98-10)

Revise per PR Notice 2007-4

707-B Made Especially for Bedbugs & Fleas

EPA Reg. No. 8848-53

Your submission dated October 22, 2010

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated October 222, 2010 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on <u>nonrefillable</u> containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions regarding this letter, please contact Dana Pilitt, PhD of my staff at (703) 305-7071 or via e-mail at <a href="mailto:pilitt.dana@epa.gov">pilitt.dana@epa.gov</a>.

Sincerely,

Richard Gebken Product Manager 10

Insecticide Branch

### **Label Revision Notification**

October 22, 2010

Mr. Richard Gebken, Product Manager 10
Document Processing Desk - *NOTIF*Office of Pesticide Programs – *7504P*U.S. Environmental Protection Agency
One Potomac Yard (South Building), Room S-4900
2777 South Crystal Drive
Arlington, VA 22202

Dear Mr. Gebken:

Subject: Safeguard Chemical Company

707-B Made Especially for Bedbugs & Fleas

EPA Reg. No. 8848-53

On behalf of **Safeguard Chemical Company**, RegWest Company, LLC is submitting the attached documents in response to PR Notices 98-10 and 2007-4. RegWest Company will act as sole agent in this endeavor.

Attached are the following documents:

- 1. Application for Pesticide: Notification
- 2. One Reference Label (illustrating the label revisions)
- 3. Two New Labels (incorporating the revisions)

In addition to the PR Notices changes, we are deleting "Inert Ingredients" and replacing it with "Other Ingredients" and "or 1-800-CLEANUP", among other minor changes. Please refer to the *Reference Label* for an illustration of all revisions.

Please contact me at 970.353.0611 or kim@regwest.com if you have any questions or comments concerning this submission.

Regards,

RegWest Company, LLC

Kim Davis,

Consultant/Agent

(Note: The First Aid statements' grid format will be used if market space permits; otherwise a paragraph format will be used.)

#### PRECAUTIONARY STATEMENTS

## **Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed, inhaled or absorbed through skin. Do not use as a space spray. This product is designed only for spot application. Do not spray food, humans or pets. Do not use in commercial food preparation areas or in edible product areas of food processing plants. Do not apply to humans, pets or plants or contaminate feed, foodstuffs, dishes or utensils. Wash after handling and before eating or smoking. Avoid prolonged and repeated

<sup>\*(</sup>Butyl carbityl)(6-Propylpiperonyl) ether and related compounds.

<sup>\*\*</sup>Contains petroleum distillate

contact with skin. In case of contact, wash with soap and water. Avoid inhalation. To avoid possible staining, test first in any inconspicuous place; check results the following day. Cover and avoid spraying fish aquariums.

#### **Environmental Hazards**

This product is toxic to fish and other wildlife. Keep out of lakes, streams or ponds. Apply product only as specified on this label.

## Physical and Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. **Do Not Use or Store Near Fire or Open Flame.** To avoid possible staining, test first in any inconspicuous place; check results the following day.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Spot Application Only. Do Not Use as a Space Spray.

Contents under Pressure

Shake Well Before Use

Keep can upright when spot treating. Do not hold can sideways or upside down.

Remove protective cap. Hold dispenser upright, point valve opening away from face and about 8-10 inches from surface being treated. Aim nozzle, press plastic button to release and spray. Spray until moist, do not soak. Repeat as necessary. Windows and doors may be left open while spraying. Allow treated surfaces to dry before permitting people or pets to return to treated areas. Infirm residents or patients must be removed prior to treatment. Ventilate rooms for 2 hours before returning patients. Do not spray food/feed humans or pets. Do not use in commercial food preparation areas or in edible product areas of food processing plants. Do not apply to humans, pets or plants or contaminate feed, foodstuffs, dishes, utensils or food contact surfaces. Cover and avoid spraying fish aquariums.

**Bedbugs:** Spray upholstered furniture in tufts, and especially under and around seams and ends of fabric. Take bed apart. Spray mattress seams, bedsprings, bed frame and joints. Spray floor, rugs, floorboards, moldings, baseboards and furniture legs. Thoroughly air premises and permit treatment to dry before using.

**Fleas:** Spray floors, floor coverings and other places infested by fleas. Spray sleeping quarters of animals or pets, and change bedding after spraying. Do not use on animals or pets. Allow treated surfaces to dry before permitting pets to return to treated areas.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a cool dry area inaccessible to children and pets away from heat, sparks, open flame or pilot light. **Container Disposal:** Non-refillable container; do not reuse or refill this container. Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. [This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label.] **If partly filled:** Call your local solid waste agency for disposal instructions.

{Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.}

[Notice:] To the extent permitted by applicable law, buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.

{Enlargement: No CFCs.

Contains no CFCs which deplete the ozone layer. Federal regulations prohibit CFC propellants in aerosols.}

PLEASE RECYCLE WHEN EMPTY
