**Subject: Amended Labeling; Response to EPA Letter Dated November 23, 2010
707-B® MADE ESPECIALLY FOR BEDBUGS & FLEAS, EPA Reg. No. 8848-53
Your Submission Dated July 8, 2011**

Dear Ms. Davis:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A copy of your label for this product stamped "Accepted" is enclosed for your records. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

A handwritten signature in black ink, which appears to read "Richard J. Gebken", is written over a horizontal line.

Richard J. Gebken

Hazards to Humans and Domestic Animals

CAUTION: Contains petroleum distillates. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ACCEPTED
August 2, 2011
Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for the
pesticide registered under:

EPA Reg. No. 8848-53

3045

Environmental Hazards

This product is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash-waters or rinsate. See *Directions for Use* for additional precautions or requirements. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treated area.

Physical or Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. To avoid possible staining, test first in any inconspicuous place; check results the following day.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- THIS PRODUCT IS DESIGNED FOR USE ONLY AS A SPOT APPLICATION.
- Not for use as a space spray.
- Not for use in outdoor residential misting systems.
- Do not apply this product directly to pets (companion animals).
- Do not allow adults, children or pets to enter the treated area until sprays have dried.
- Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Do not apply when food is present. Do not use this product in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. In the home, remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use.
- Infirm residents or patients must be removed from rooms prior to treatment with this product. Thoroughly ventilate treated areas for at least 2 hours prior to re-occupying rooms.
- Remove pets, birds and cover fish aquariums before spraying.

Only For Spot Application. Do Not Use as a Space Spray.

Contents under Pressure

Shake Well Before Use

Keep can upright when spot treating. Do not hold can sideways or upside down.

Remove protective cap. Hold dispenser upright, point valve opening away from face and about 8-10 inches from surface being treated. Aim nozzle, press plastic button to release and spray. Spray until moist, do not soak. Repeat as necessary. Windows and doors may be left open while spraying. Allow treated surfaces to dry before permitting people or pets to return to treated areas. Infirm residents or patients must be removed prior to treatment. Ventilate rooms for 2 hours before returning patients. Do not spray food/feed humans or pets. Do not use in commercial food preparation areas or in edible product areas of food processing plants. Do not apply to humans, pets or plants or contaminate feed, foodstuffs, dishes, utensils or food contact surfaces. Cover and avoid spraying fish aquariums.

Bedbugs: Spray upholstered furniture in tufts, and especially under and around seams and ends of fabric. Take bed apart. Spray mattress seams, bedsprings, bed frame and joints. Spray floor, rugs, floorboards, moldings, baseboards and furniture legs. Thoroughly air premises and permit treatment to dry before using.

4085

Fleas: Spray floors, floor coverings and other places infested by fleas. Spray sleeping quarters of animals or pets, and change bedding after spraying. Do not use on animals or pets. Allow treated surfaces to dry before permitting pets to return to treated areas.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: When not in use keep this product in its tightly closed original container, away from heat, sparks, open flame or pilot lights. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Do Not Puncture or Incinerate! Empty container by using this product in accordance with the label directions. **If empty:** Place in trash or offer for recycling if available. [This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label.] **If partly filled:** Call your local solid waste agency for disposal instructions.

{Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.}

[Notice:] To the extent permitted by applicable law, buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.

{Enlargement:
No CFCs.

Contains no CFCs which deplete the ozone layer.
Federal regulations prohibit CFC propellants in aerosols.}
