Subject: Label Amendment - Updating First Aid Statement per PR Notice 2001-1 &
PR Notice 2001-6
Black Jack Jet Action Crawling Insect
EPA Reg. No. 8848-63
Your Submission Dated November 3, 2003

Dear Ms. LaRocco:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Replace Precautionary Statements with the following:

"Causes moderate eye irritation. Avoid contact with eyes or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals."

2. Under the Directions for Use, after the sentence "Do not use in commercial food/feed handling establishment, restaurants or other areas where food is commercially prepared or processed.", add, "served".

3. Under the Ingredients Statement, replace "Inert Ingredients" with "Other Ingredients".

4. Either delete all "Repeat as necessary", statements or indicate the repeat interval which should be based upon the residual effectiveness of the product.
5. Delete "Not for Use in Federally Inspected Meat and Poultry Plants." The statement, Do not use in commercial food/feed handling establishments etc" already covers this restriction.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,

George T. LaRocca

BLACK JACK JET ACTION CRAWLING INSECT

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS CAUTION

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Prolonged or frequent repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly after handling. Remove and wash clothing before reuse. Avoid contamination of food and feed.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If in Eyes:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If Swallowed:	<ul style="list-style-type: none"> Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on pesticide products (including health concerns, medical emergencies or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.

NOTE TO PHYSICIAN

Contains petroleum distillate - vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 degrees F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Do not store near heat or open flame. Store in a cool dry area away from children.
CONTAINER DISPOSAL: Do Not Puncture or Incinerate.
If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed. Do not use in commercial foodfeed handling establishments, restaurants or other areas where food is commercially prepared or processed. **NOT FOR USE IN FEDERALLY INSPECTED MEAT AND POULTRY PLANTS.** Remove protective cap, hold container upright and direct spray away from face. Hold can 12-15 inches from surface being sprayed. Press valve down and spray as directed. Spray surface until slightly wet (at a rate of 4 ounces product to treat approximately 25 square feet of surface area).

INDOORS

COCKROACHES (including adult and immature stages of both non-resistant and organophosphate and carbamate resistant strains) **ANTS, BOOKLICE, BOXELDER BUGS, CENTIPEDES, CRICKETS, DERMESTIDS, FIREBRATS, FLEAS, PALMETTO BUGS, SILVERFISH, SOWBUGS, TICKS AND WATERBUGS:** Apply thoroughly to all areas where these pests crawl and hide, especially cracks and crevices, and hidden areas around sinks and storage areas, behind kitchen cabinets, doors, and windows, behind and under refrigerators, cabinets, sinks and stoves, the underside of chairs, drawers, bookcases, and similar areas. When pests are driven out, spray directly. Repeat as necessary.
ANTS: Spray freely around ant trails, doors and windows and other places where ants enter the house. Spray around nests hidden under steps, brickwork, concrete, etc. Break apart accessible nests and spray freely on and around debris. Repeat as necessary.

OUTDOORS

Point spray nozzle away from face. Hold can on slight downward angle. For best results, use only when air is calm. Spray with wind if breeze is blowing.
CRAWLING INSECTS: ANTS, COCKROACHES, CRICKETS, CENTIPEDES, SILVERFISH
Spray infested surface of patio or picnic area, killing as many insects as possible. Also spray tables and chairs to repel ants. Spray ant hills for best control.
ANTS, LONE STAR TICKS, DOG TICKS, CRICKETS, FLEAS Apply thoroughly to infestation in bushes, grass or weeds. For ants, spray freely around ant trails and hills.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
