U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg.
Number:

8848-
20205

Date of Issuance:

21 SEP 1995

NOTICE OF PESTICIDE:
 Registration
 X Reregistration

(under FIFRA, as amended)

Term of Issuance:

UnConditional

Name of Pesticide Product:

Black Jack Boric Acid
Powder Roach Killer

Name and Address of Registrant (include ZIP Code):

Safeguard Chemical Corporation
411 Wales Avenue
Bronx, New York 10454

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below:

1. Revise the Precautionary Statements to read:

Harmful if swallowed or absorbed through the skin.
Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

2. Add the Practical Treatment which reads:

If Swallowed: Call a physician or Poison Control Center.
Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

Signature of Approving Official:

RPK

Date:

21 SEP 1995

2/4

3. Add the Storage and Disposal Statement which reads:

Do not contaminate water, food, or feed by storage and disposal.

Securely wrap original container in several layers of newspaper and discard in trash.

4. Submit two copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

5. Enclosed is a copy of your label stamped "Accepted with Comments." This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Sincerely,

RPK

Richard P. Keigwin, Jr.
Product Manager 10
Insecticide-Rodenticide Branch
Registration Division (7505C)

ACCEPTED
with COMMENTS
In EPA Letter Dated

21 SEP 1995

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

BLACK JACK® BORIC ACID POWDER ROACH KILLER

A white free flowing orthoboric acid that is odorless, non-staining, non-flammable and non-volatile. It gives protection against roaches (waterbugs and palmetto bugs).

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Black Jack Boric Acid Powder should be applied with a teaspoon, scattering liberally under sinks, along baseboard cracks and crevices, under major appliances, under showers and tubs, and into drain and water pipe openings, and other areas where roaches have been seen. Any powder visible after application should be brushed into cracks and crevices or removed. Reapply as necessary.

PRECAUTIONARY STATEMENTS

CUTION: HAZARD TO HUMANS AND DOMESTIC ANIMALS. KEEP OUT OF REACH OF CHILDREN

Harmful if Swallowed. Wash thoroughly after handling. Do not leave container where children or animals may gain access and may take internally. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Avoid contamination of food and foodstuffs. Do not use in serving areas while food is exposed. Apply only in areas inaccessible to children and pets.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash container.
