NET WEIGHT 11 OZ (308 GMS)

DIRECTIONS FOR USE: FOR HOUSEHOLD USE ONLY
SEE BACK PANEL FOR ADDITIONAL PRECAUTIONS & STATEMENTS

GENERAL DIRECTIONS

1. To operate valve as a TOTAL RELEASE SPRAY:
Press down on the top of the valve until it is locked. This will release the entire contents of the canister into the room. Leave the room for 15 minutes before re-entering. This method is for use in large rooms or for total room treatment.

2. To operate valve as a SPOT TREATMENT:
Press down on the top of the valve until it is locked. This will release the entire contents of the canister into the room. Leave the room for 15 minutes before re-entering. This method is for use in large rooms or for total room treatment.

DISPOSAL

Do not dispose of this product in the trash. It is a hazardous waste. It should be disposed of in a hazardous waste container. For more information, see the back panel.
