# ALGAE-OUT "200"

## DIRECTIONS

**ALGAE-OUT 200** is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using **ALGAE-OUT 200**.

**FOR POOLS HAVING JUST VISIBLE** algae growth, add an initial dose of 75 to 115 fl. oz. of **ALGAE-OUT 200** per 10,000 gal. of water and remove settled algae debris by cleaning.

**FOR TREATMENT OF FRESHLY CLEANED AND FILLED POOLS**, add initially 41 to 75 fl. oz. of **ALGAE-OUT 200** per 10,000 gal. of water.

**TO MAINTAIN POOLS** free of visible algae growth, subsequent additions of 13.5 to 27 fl. oz. of **ALGAE-OUT 200** per 10,000 gal. of water should be made every 5 to 7 days after the initial treatment. Uniform distribution of **ALGAE-OUT 200** throughout the water in the pool is necessary for maximum effectiveness.

**ALGAE-OUT 200** is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH.

**ALGAE-OUT 200** can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix **ALGAE-OUT 200** with concentrated dry or liquid chlorine products.

# ALGAE-OUT "200"

## ALGAE CONTROL

**FOR SWIMMING POOLS**  
HELPS KEEP POOL WATER CLEAR  
AND FREE OF GROWING ALGAE

**ACTIVE INGREDIENT**  
Poly[oxyethylene (dimethyliminio) - ethylene  
(dimethyliminio) ethylene dichloride] . . . . . 10.0%  
**INERT INGREDIENTS** . . . . . 90.0%

**CAUTION**  
**KEEP OUT OF REACH OF CHILDREN**  
SEE OTHER PRECAUTIONS ON THE SIDE PANEL

**NET CONTENTS: 32 FL.OZ. (1 U.S. Qt.)**  
EPA Registration No. 8866-13  
MANUFACTURED BY

**ARCO CHEMICAL CORP.**  
MILWAUKEE, WISCONSIN 53225

# ALGAE-OUT "200"

## CAUTION

**KEEP OUT OF REACH  
OF CHILDREN**

Harmful if swallowed. Do not get in eyes. Avoid contact with skin. In case of contact, flush with plenty of water for at least 15 minutes. If eye irritation persists, get medical attention. Avoid contamination of food.

Rinse empty container thoroughly with water and discard container.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Apply this product only as specified on this label.
