ALGAE-OUT "400"

DIRECTIONS

ALGAE-OUT 400 is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using **ALGAE-OUT 400**.

FOR POOLS HAVING JUST VISIBLE algae growth, add an initial dose of 11 to 17 fl. oz. of **ALGAE-OUT 400** per 10,000 gal. of water and remove settled algae debris by cleaning.

FOR TREATMENT OF FRESHLY CLEANED AND FILLED POOLS, add initially 6 to 11 fl. oz. of **ALGAE-OUT 400** per 10,000 gal. of water.

TO MAINTAIN POOLS free of visible algae growth, subsequent additions of 2 to 4 fl. oz. of **ALGAE-OUT 400** per 10,000 gal. of water should be made every 5 to 7 days after the initial treatment. Uniform distribution of **ALGAE-OUT 400** throughout the water in the pool is necessary for maximum effectiveness.

ALGAE-OUT 400 is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH.

ALGAE-OUT 400 can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix **ALGAE-OUT 400** with concentrated dry or liquid chlorine products.

ALGAE-OUT "400"

ALGAE CONTROL

FOR SWIMMING POOLS HELPS KEEP POOL WATER CLEAR AND FREE OF GROWING ALGAE

ACTIVE INGREDIENT
Poly [oxyethylene (dimethyliminio) - ethylene
(dimethyliminio) ethylene dichloride] 60.0%
INERT INGREDIENTS 40.0%

CAUTION
KEEP OUT OF REACH OF CHILDREN
SEE OTHER PRECAUTIONS ON THE SIDE PANEL

NET CONTENTS: 32 FL.OZ. (1 U.S. Qt.)
EPA Registration No. 8866-15
MANUFACTURED BY

ARCO CHEMICAL CORP.
MILWAUKEE, WISCONSIN 53225

ALGAE-OUT "400"

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Do not get in eyes. Avoid contact with skin. In case of contact, flush with plenty of water for at least 15 minutes. If eye irritation persists, get medical attention. Avoid contamination of food.

Rinse empty container thoroughly with water and discard container.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Apply this product only as specified on this label.
