# PARA-CHLOROPHENOXYACETIC ACID

## Active ingredient:

para-chlorophenoxyacetic acid . . . . . 100%

Purpose: To inhibit root growth of mung bean sprouts.

## Directions for use:

~~Soak beans in a solution containing 9 grams of product per 1000 gallons of water for~~  
4.5 to 7 hours, followed by fresh water rinse.

## WARNING:

May burn eyes; may cause skin irritation. Avoid inhaling dust. Harmful if swallowed. Do not get in eyes. Avoid contact with skin or clothing. Keep out of reach of children. In case of contact, flush eyes with plenty of water for at least 15 minutes and get medical attention; wash skin with soap and plenty of water. Remove and wash contaminated clothing and shoes before reusing.

The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. All statements made concerning this product apply only when used as directed.
