**DIRECTIONS FOR USE
FOG, SPRAY OR MIST AS RECEIVED
TO KILL FLIES, MOSQUITOES, AND GNATS**

Close doors and windows directing spray up toward the ceiling. The room should be filled with mist and remain closed for 10-20 minutes. Sweep up the dead or stupefied insects and destroy them. Repeat treatment as often as necessary. The frequent spraying of breeding places, such as stagnant water, manure piles also helps. Do not remain in the treated areas. Ventilate the area after treatment is completed.

TO KILL SILVERFISH

Spray liberally with force around refrigerators, sinks, all cabinets, around pantry shelves into all cracks and crevices, in moulding and woodwork, pipe openings in walls and floors or wherever these insects are likely to hide. Repeat treatment as often as necessary.

TO KILL ANTS

Use spray so as to wet as many of the insects as possible paying particular attention to nests and runways. Repeat treatment as often as necessary.

TO KILL BEDBUGS

Bedsteads should be sprayed thoroughly in all corners, cracks and crevices. Springs and mattresses should be sprayed thoroughly after the bed has been dismantled paying particular attention to cracks, crevices, tufts and seams on mattresses, wallpaper that is loose, loose moulding and any place where these bugs may hide. Repeat treatment as often as necessary.

CAUTION

Remove pets, birds and cover fish aquariums before spraying.

TO KILL CLOTHES MOTHS AND CARPET BEETLES

Take special precautions to see that cracks in floors and openings below baseboards are thoroughly wetted with spray liquid. Wool lint and organic matter accumulating in these places will serve as breeding materials for such pests. Clothing to be stored should be cleaned and aired and sprayed carefully at a distance of one to two feet, taking care to see that seams and folds are wetted. Chests in which woolens are to be stored should be thoroughly sprayed before being filled with clothes. Closets should be sprayed liberally at least twice a month directing spray on the garments.

TO KILL FLEAS

Liberally spray all infested places, rugs and under rugs, basements, under porches, and wherever pet animals make their beds. Spray bedding of household pets. Do Not spray directly on animals. Repeat as required.

CAUTION

Harmful if swallowed. Keep out of reach of children. Do not use, pour, spill or store near heat or open flames. Food should be removed or covered during treatments. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when facility is not in operation. Do not remain in enclosed treated areas. Ventilate the area after treatment is completed.

WILDLIFE CAUTION

This product is toxic to fish. Keep out of lakes, streams, or ponds. Apply this product only as specified on this label.

CONTAINER DISPOSAL

Do not re-use empty drum. Return to drum reconditioner or destroy by pulverizing or crushing and burying in a safe place away from water.
