PETRX 

PETRX MEDICATED SHAMPOO is a highly effective bacteriostatic and fungicidal shampoo which deodorizes and leaves a soft, glossy coat, in addition to killing fleas and lice.

DIRECTIONS FOR USE Thoroughly moisten the dog's or cat's hair coat with warm water, then apply shampoo working it into a lather over the entire body. Allow to remain on coat for approximately 5 minutes for best results. Rinse and dry. Repeat in ten day intervals if necessary.
