

FEB 17 1989

Exxon Chemical Company
8230 Stedman Street
Houston, TX 77029

Attention: P.B. Hartley

Gentlemen:

Subject: Corexit 7674
EPA Registration No. 8928-2
Your Application Dated March 15, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

- 1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. Below the Environmental Hazards section, retain the fire hazard caution to read:

Physical or Chemical Hazards
Flammable
Keep away from heat and open flame.

- b. The signal word "DANGER" must be placed directly below the child hazard warning statement "Keep Out of Reach of Children."
- c. Delete the word "milk" from the Statement of Practical Treatment.
- d. Revise the statement "Wear goggles or face shield, rubber gloves and protective clothing when handling" to read "Wear goggles or face shield and rubber gloves when handling."

- 2. Submit five (5) copies of the final printed labeling before you release the product for shipment.
