

**DILUTION CHART
FOR SWIMMING POOLS**

| Swimming Pool Capacity Gals of Water | Initial Treatment Swimtrine | Treatment Once Every Two Weeks Swimtrine |
|-----------------------------------------|--------------------------------|---------------------------------------------|
| 1,000 | 1/2 oz. | 1 ounce |
| 10,000 | 1 1/2 oz. | 1 1/2 ounces |
| 20,000 | 3 oz. | 3 ounces |
| 30,000 | 4 1/2 oz. | 4 1/2 ounces |
| 40,000 | 6 oz. | 6 ounces |
| 50,000 | 7 1/2 oz. | 7 1/2 ounces |

FOR BLACK ALGAE

To control black algae, use Applied Biochemists' BLACK ALGALTRINE as directed on that product's label. Once control is obtained, resume regular algacidal maintenance as directed above.

IMPORTANT NOTE:

Always maintain a residual chlorine reading in the pool of 1.0 to 1.5 parts per million (PPM).

HOW TO ESTIMATE GALLON CAPACITY OF YOUR POOL

For Square or Rectangular Pools
Length x Width x Depth x 7.5 = Gallons
For Circular Pools
Length x Length x Depth x 3.14 x 7.5 = Gallons

Chloroacetic acid

INERT INGREDIENTS

SWIMTRINE

CAUTION

KEEP OUT OF REACH OF CHILDREN

Do not bathe in pools or use ponds

NET CONTENTS 1 QT (32 FL OZ)

APPLIED BIOCHEMISTS, INC.

SWIMTRINE has the specificity to control growth of algae and other organisms in long lasting swimming pools. It is effective and subsequent to treatment, the pool is not algae treated and is ready for swimming.

DIRECTIONS FOR USE

SWIMTRINE comes pre-diluted. Drench with at least one inch of water before applying. Pool required amount of SWIMTRINE for plastic water gardens, hot water or portable around edge of pool. Apply to all treatment areas in newly filled pool or to most of the pool's surface. Apply under any cover. Do not for most effective results. Rinse gently with water and discard.

CAUTION

SWIMTRINE may cause skin damage. Do not get in eyes or clothing. In case of contact, wash thoroughly with water. If swallowed, get medical attention immediately. If swallowed, call a doctor.

FISH CAUTION

Do not use in fish tanks. Do not use in ponds or public swimming pools. Do not use in ornamental ponds.
