

ALGAETRINE® economically kills algae and prevents regrowth without requiring pool closing.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

VISIBLE ALGAE GROWTH: 16 oz. **ALGAETRINE** per 10,000 gallons of pool water.

PREVENTION OF ALGAE: 8 oz. **ALGAETRINE** per 10,000 gallons of pool water once every two weeks.

APPLICATION: **ALGAETRINE** comes concentrated. Dilute with at least nine parts of water before applying. Pour required amount of **ALGAETRINE** into a plastic watering can and fill with water. Maintaining continuous pool circulation, sprinkle solution around edge of pool. Apply under sunny conditions for most effective results.

To control black algae, use Applied Biochemists **BLACK ALGAETRINE**® as directed on the product's label. Once control is obtained, resume regular algaestatic maintenance with **ALGAETRINE** Algaecide.

INITIAL POOL START-UP - Use Applied Biochemists **RESIST** to prevent scale and stain formation.

WINTER DOSE: Add 16oz. of this product per 10,000 gallons pool water.

IMPORTANT NOTE: Always apply chemicals separately. Never combine them.

TO ESTIMATE POOL CAPACITY

Square or Rectangular Pools - L x W x D x 7.5 = Gallons

Circular or Elliptical Pools - L x W x D x 5.9 = Gallons

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

If Swallowed: Call a poison control center immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.

If in Eyes: Hold eyelids open and rinse slowly with water for 15 - 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency treatment information.

ENVIRONMENTAL HAZARDS: This product is toxic to fish.

STORAGE AND DISPOSAL:

Store in original container in a locked storage area inaccessible to children. Do not reuse container. Wrap container and discard in the trash.
