SWIMTRINE[®]

PLUS

ALGAECIDE
FOR SWIMMING POOLS

KILLS GREEN AND MUSTARD ALGAE

ACTIVE INGREDIENTS:
Copper as elemental* 9.3%
INERT INGREDIENTS: 90.7%
TOTAL 100.0%
SWIMTRINE PLUS contains 0.97 lbs. of elemental copper per gallon.
*From Mixed Copper Ethanolamine Complexes

KEEP OUT OF REACH OF CHILDREN

CAUTION
See other precautions and first aid on back panel.

Net Contents: 32 fl. oz. (946 mL.)

SWIMTRINE PLUS effectively and economically controls algae and prevents regrowth without requiring pool closing.

Compatible with all sanitizers including bromine, chlorine, salt water, ozone and minerals.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

VISIBLE ALGAE GROWTH: 3 oz. SWIMTRINE PLUS per 10,000 gallons of pool water.
PREVENTION OF ALGAE: 1.5 oz. SWIMTRINE PLUS per 10,000 gallons of pool water once every two weeks.

APPLICATION: SWIMTRINE PLUS comes concentrated. Dilute with at least nine parts of water before applying. Pour required amount of SWIMTRINE PLUS into a plastic watering can and fill with water. Maintaining continuous pool circulation, sprinkle solution around edge of pool. Apply under sunny conditions for most effective results.

To control black algae, use Applied Biochemists Black Algaetrine as directed on the product's label. Once control is obtained, resume regular algaestatic maintenance with Swimtrine Plus Algaecide.
INITIAL POOL START-UP - Use Applied Biochemists RESIST (16 oz. per 10,000 gallons) to prevent scale and stain formation.

IMPORTANT NOTE: Always apply chemicals separately. Never combine them.

TO ESTIMATE POOL CAPACITY

Square or Rectangular Pool - L x W x D x 7.5 = Gallons

Circular or Elliptical Pools - L x W x D x 5.9 = Gallons

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: SWIMTRINE PLUS may cause skin damage. Do not get on skin, eyes or clothing. SWIMTRINE PLUS may cause skin sensitization reactions in certain individuals. Harmful if swallowed. If swallowed call a doctor.

FIRST AID

If in Eyes: Hold eyelids open and rinse slowly with water for 15-20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact 1-800-222-1222 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS: This product is toxic to fish.

STORAGE & DISPOSAL: Store in original container in a cool, dry place. Do not reuse empty container. Wrap container and put in trash.

RE: Swimtrine Plus
8959-28

Dear Mr. Heyward,

Attached is an application for notification of a statement on the label listing compatible sanitizers with this product. We get calls requesting this information and feel it would be helpful to list them on the label. I have also added an emergency medical treatment number to the first aid box.

If you have any questions or require further information I can be reached at 800-558-5106 ext 328 or e-mail to mradtke@advantistech.com. Attached is a label copy with the 2 additions highlighted.

Sincerely,
APPLIED BIOCHEMISTS
