

Ms. Marianne Radtke
Applied Biochemists, Incorporated
6120 West Douglas Avenue
Milwaukee, WI 53218

Dear Ms. Radtke:

Subject: Pooltrine 60
EPA Registration No. 8959-37
Your Amendment Dated January 9, 1992

This is in response to your amendment to revise the use directions and design for the subject product.

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is not acceptable for the following reasons:

1. Change "Directions" to "Directions For Use".
2. Delete the statement "No Waiting - Swim immediately"
3. In the Precautionary Statements section, include the "Statement of Practical Treatment" heading.
4. Under the "Statement of Practical Treatment" heading, revise the ingestion statement to read "If swallowed, promptly drink large quantities of water. Avoid alcohol. Call a physician immediately".
5. "Keep Out of Reach of Children" should be placed immediately above the signal word "Caution".
6. The Precautionary Statements should be above the "Directions For Use" heading.

7. Revise the Environmental Hazards" statement to read "keep out of lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

Submit five (5) copies of revised labeling for our review.

If you have any questions about these comments, please call Marianne Clark at (703) 305-7879.

Sincerely yours,

Ruth Douglas

POOLTRINE®

60

**ALGAECIDE AND
WATER CLARIFIER
FOR SWIMMING POOLS**

ACTIVE INGREDIENTS:
Poly (cyclohexane (dimethylamido) ethylene
(dimethylamido) ethylene dichloride) 40%

INERT INGREDIENTS: 40%

POOLTRINE 60 contains 5.76 lbs. of active ingredient per gallon and weighs 9.6 lbs. per gallon.

APPLIED BIOCHEMISTS INC.
Milwaukee, Wisconsin 53218

CAUTION
KEEP OUT OF REACH OF CHILDREN
See additional precautions and first aid on back panel.

NET. 1 QT (32 FL OZ)

POOLTRINE® 60 kills algae and clears the water in your swimming pool without requiring pool closing and without foaming.

NO WAITING - SWIM IMMEDIATELY!

DIRECTIONS: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DOSEAGE RATES

VISIBLE ALGAE GROWTH: 16 oz. POOLTRINE 60 per 10,000 gallons of pool water.

INITIAL CLEAN WATER TREATMENT: 9 oz. POOLTRINE 60 per 10,000 gallons of pool water.

MAINTENANCE: 3 oz. POOLTRINE 60 per 10,000 gallons of water weekly.

APPLICATION

Pools containing heavy algae growth should be cleaned prior to POOLTRINE 60. 24 hours after treating visible algae growth, algae should be removed by standard cleaning procedures. Dilute POOLTRINE 60 with at least nine parts water before applying. Pour required amount of POOLTRINE 60 into a plastic watering can and fill with water. Making constant pool circulation, sprinkle solution around edge of pool to control black algae and other resistant forms, use BLACK ALGAE TREATMENT.

INITIAL POOL START-UP

Use Applied Biochemists RESIST to prevent scale and stain formation.

IMPORTANT NOTE: Always apply chemicals separately. Never mix them.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes or clothing.

FIRST AID: In case of contact, wash thoroughly. For eyes, wash thoroughly and get medical attention. If swallowed, promptly drink a quantity of milk, egg white, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARD: This product is toxic to fish. Treatment effluent should not be discharged in lakes, ponds or public water.

DISPOSAL: Do not reuse empty container. Wrap container and trash collection.
