	TERM OF ISSUANCE Conditional	
	NAME OF PESTICIDE PRODUCT Applied Biochemists's Yellowtrine	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Great Lakes Biochemical Co., Inc.
6120 West Douglas Avenue
Milwaukee, WI 53218

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 8959-52."
- b. Insert the heading "Environmental Hazards" in the last paragraph of the right hand column after the sentence, "Securely wrap original container ..." and separate it from the text of the "Storage & Disposal" statement.
- c. Include the correct first sentence of the Environmental Hazards statement, in accordance with PR Notice 93-10: "This product is toxic to fish and aquatic organisms."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

	2.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

See additional precautions and first aid on back panel.

ab APPLIED BIOCHEMISTS
MILWAUKEE, WISCONSIN 53218

NET WT. 2 LB.

YELLOWTRINE is a granular formulation that helps clear mustard algae in swimming pools. When used as directed, it clears water quickly and can be used in any type of pool. Swimming may be resumed several hours after treatment.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with labeling.

To remove visible yellow or mustard algae: (All dosage is per 10,000 gallons of water).

1. Brush walls and floor areas affected by yellow or mustard algae.
 2. Apply 4 oz. (4 capsules) of YELLOWTRINE per 10,000 gallons of water in affected areas as possible. For severe accumulations, increase dosage.
 3. Superchlorinate by adding 1 gallon liquid chlorine per 10,000 gallons.
- Swimming may be resumed after a few hours.

WEEKLY MAINTENANCE TREATMENT:

To prevent accumulation of yellow algae: (All dosage is per 10,000 gallons of water).

1. With water temperature over 80 degrees Fahrenheit, apply 1/2 gallon of YELLOWTRINE with 1 gallon liquid chlorine once a week.
2. With water temperature under 80 degrees Fahrenheit, apply 1/2 gallon of YELLOWTRINE weekly and 1/2 gallon liquid chlorine.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if swallowed, inhaled or absorbed. Causes eye irritation. Avoid breathing dust. Avoid contact with skin. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

FIRST AID: If in eyes flush eyes immediately with water for 15 minutes and get medical attention. If on skin, wash with water. Remove and wash contaminated clothing before reentry. Get person to fresh air immediately. Get medical attention. If swallowed, give water or milk to drink. Do not give liquids to an unconscious person.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal. Store in original container in a cool dry place. Securely wrap original container in several layers of plastic. Do not discharge effluent containing this product into streams, ponds, estuaries, oceans or other waters unless it meets the requirements of a National Pollutant Discharge Elimination Act permit and permitting authority has been notified in writing. Do not discharge effluent containing this product to sewer unless notifying the local sewage treatment plant authority. Do not discharge to State Water Board or Regional Office of the EPA.

CAUTION: DO NOT MIX YELLOWTRINE DIRECTLY WITH OTHER CHLORINATED CHEMICAL OR ALGACIDES.
