CAUTION:

Keep out of reach of children.
Do not get in eyes on skin or clothing.
Harmful if swallowed or absorbed through skin. Causes skin irritation. Do not breathe vapor or spray mist. Wash thoroughly after application.

In case of contact, flush eyes immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash with soap and plenty of water. Wash clothing before re-use.

DIRECTIONS FOR USE

W & B Inhibitor 2529 is added to straight cutting and grinding oils for the purpose of inhibiting bacterial growth and rancidity. Add 1 pint of W & B Inhibitor 2529 to 100 gallons of oil at the suction side of the oil pump. W & B Inhibitor 2529 is not intended for use in water-base coolant systems.

Can size will be in accordance with requirements for various size labels.
