 Glen Burnie, MD 21061

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for the registration/ reregistration of your product when the Agency requires all registrants of similar products to submit data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. In the STORAGE AND DISPOSAL section, change the disposal statement to "Do not reuse empty container. Place in trash or offer for recycling if available. Never place any unused product down any indoor or outdoor drain."

Signature of Approving Official:

*Jim Tompkins*  
 Jim Tompkins, Product Manager 25  
 Herbicide Branch, Registration Division

Date:

10/6/03

3. Change the EPA registration number to 8999-4 on the label.

4. Submit one (1) copy of the revised final printed label before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**Aquarium Algae Clear Liquid – Prevents Algae Growth**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Aquarium Algae Clear Liquid helps to inhibit the growth of many types of algae found in freshwater aquariums. These algae include those which are suspended, attached and floating. Do not use on fish intended for food or feed. Discontinue carbon filtration while using.

**SHAKE WELL BEFORE USING ONE CAP FULL ( 5.0 ML. ) TO 10 GALLONS (37.8 LITERS) OF AQUARIUM WATER.** For regular maintenance, repeat treatment when algae begins to appear. Do not use in aquariums if live plants, snails or other invertebrates are present. Contents treats 236 Gallons (893 Liters)

**STORAGE AND DISPOSAL:** **Storage:** Store in an area inaccessible to children, water and feed. **Disposal:** Do not reuse empty container. Wrap container and put in trash.
