Product Name: "Revenge Bug Strip"

This is a notification of the following additions to the label:

**NOTIFICATION**

1. Add spiders, cockroaches, silverfish, ants and wasps to listing of insects on front panel.
2. Under the heading "For Use In:" on the front panel, include the use sites garbage cans, dumpsters, and catch basins from back panel. Add museums and reptile houses/terrariums.
3. Add 10.5 gram strip to Net Weight information on front panel.
4. On page 2 under the heading of "Homes, Motels,..." include moths, silverfish, cockroaches, spiders, beetles, and earwigs.
5. Add additional instructions for use in Homes, etc. to include Closets, Wardrobes and Storage Spaces using the new 10.5 gram strip.
6. Add instructions for use in Utility Areas and Reptile Houses/Terrariums.
7. Note where appropriate the size of strip needed to treat specific areas.

per PR Notice 95-2.

This notification is consistent with the provisions of PR Notice 95-2 and the EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Net Wt.: 2.80 oz. (80.0 g)  
0.37 oz. (10.5 g)

Roxide Since 1861

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove REVENGE BUG STRIP from sealed pouch when ready to use. Slide strip into holder and hang in desired location away from windows and out of the reach of children and pets. Do not use where unwrapped food is stored or allow the strip to come into contact with food or cooking utensils. Drafts, weather and other conditions may affect the performance, but treatment usually lasts for four (4) months. Record the date of installation and replace with a fresh, full strength strip at the end of four (4) months or when effectiveness diminishes.

**HOMES, MOTELS, CABINS, GARAGES:** REVENGE BUG STRIP kills flies, gnats, mosquitos, moths, silverfish, cockroaches, spiders, beetles and earwigs. Use one 80 gram strip per average size room (10 ft. X 10 ft. X 10 ft.).

**CLOSETS, WARDROBES AND STORAGE SPACES:** Gives continuous protection against moths, silverfish, cockroaches and other insects as listed in closets, wardrobes and storage spaces. REVENGE BUG STRIP also protects clothes against moths and leaves no smell. Remove from sealed pouch. Slide strip into holder and hang in closet, ensuring that strip does not contact clothes or fabrics and that air can circulate around the strip. Use one 10.5 gram strip for 50 to 100 cu. ft. of space. Do not allow children or pets to play or sleep in treated areas.

**GARBAGE CANS AND TRASH DUMPSTERS:** To control flies in garbage cans, use one 10.5 gram REVENGE BUG STRIP inside can. For dumpsters, use one 80 gram strip. Keep lid on can and dumpster closed.

**ANIMAL BUILDINGS:** To control flies, mosquitos and gnats in horse barns, calf barns, hog parlors, stables, poultry houses, tack rooms and dog kennels place one 80 gram REVENGE BUG STRIP per 1,000 cu. ft. of space. If more than one strip is required, distribute them equally over area to be treated. Do not contaminate water, food or feedstuffs.

**MILK ROOMS:** To control flies, mosquitos and gnats in milkrooms and bulk milk storage rooms hang one 80 gram REVENGE BUG STRIP per 1,000 cu. ft. of space. DO NOT contaminate milk or milking equipment.

**AGRICULTURAL COMMODITIES:** Bulk storage of raw grains, corn, soybeans, cocoa beans and peanuts. For control of Almond Moths, Cocoa Moth, Indian Bean Moth, and Mediterranean Flour Moths infesting non-perishable bulk storage raw agricultural commodities, suspend one 80 gram REVENGE BUG STRIP per 1,000 cu. ft. of air space. Treat in early spring before moths begin to emerge. Replace strip when needed to prevent egg laying by moths.

**CATCH BASINS:** To control mosquitos breeding in catch basins, suspend REVENGE BUG STRIP about 10 inches above water line. Usual control is 10 to 15 weeks. Replace strip when effectiveness diminishes.

### ASSEMBLY INSTRUCTIONS

Hold with hook end down and gently squeeze sides to open.

Cut open strip pouch and slide strip into holder.

Press in bottom tabs. Hang by hook.

(ROOM FOR ARTWORK)

4094  
**UTILITY AREAS:** To control ants, wasps, spiders, cockroaches and other insects which commonly infest utility enclosures, cabinets and junctions. Remove REVENGE BUG STRIP from sealed pouch. Slide strip into holder and hang so that air can contact all sides. Use REVENGE BUG STRIP in enclosed areas for utility equipment such as communication equipment, electric, gas, water and cable television. For 1,000 cu. ft. of space, use one 80 gram REVENGE BUG STRIP or one 10.5 gram strip for 50 to 100 cu. ft.

**REPTILE HOUSES/TERRARIUMS:** For control of mites on reptiles: In Reptile Houses: Hang appropriate number of 80 gram REVENGE BUG STRIP's per 1000 cu. ft. of space to be treated. Do not over treat. In Terrariums: Cover the top of an open terrarium having a minimum size of 10 cu. ft. with a wire screen and place a 10.5 gram strip on the screen for 48 hours. Make sure that the reptiles cannot touch or contact the REVENGE BUG STRIP.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### CAUTION

Do not get in mouth, harmful if swallowed. After prolonged storage, a small amount of liquid may form on strip. Do not get liquid in eyes. Wash hands thoroughly with soap and water after handling strip. Do not use in hospitals or clinic rooms, such as patient rooms, wards, nurseries, operating or emergency areas. Do not use in any rooms where infants, the sick or aged will be present for any extended period of confinement. Do not use in kitchens, restaurants, or areas where food is prepared or served. Not to be taken internally by humans or animals. Do not use in edible product areas of food processing plants.

#### STATEMENT OF PRACTICAL TREATMENT

**IF ON SKIN:** Remove contaminated clothing and wash affected area with soap and water.  
**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.  
**NOTE TO PHYSICIAN:** This product contains Dichlorvos, a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, Atropine by injection is antidotal. 2-PAM is also antidotal, but may only be administered in conjunction with Atropine.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not open or remove from package before ready to install.  
**STORAGE:** Store in a cool, dry place.  
**DISPOSAL:** Do not reuse packaging. Wrap used packaging in several layers of newspaper and discard in trash.

**NOTICE:** This product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions not reasonably foreseeable to the manufacturer and/or seller and the buyer assumes the risk of any such uses.
