Kenoco MOTH FLAKES

HOW TO PROTECT CLOTHING WOOLENS AND FURS

1. Dry clean, wash or brush articles before storing.
2. Moth-protect any garment or blanket made of wool, wool-and-cotton, wool-and-rayon, wool-and-nylon.
3. Store these articles in a clean, airtight trunk, garment bag, storage closet or chest. Keep the storage container tightly sealed during the storage period.
4. Use 1 lb. for each 50 cu. ft. of tightly closed space; 1 3/4 lb. for a large trunk; 1 1/4 lb. for an average size garment bag and 2 lbs. for a normal closet (5 x 2 x 9).
5. Pleasant odor vanishes when articles are aired.

Kenoco MOTH FLAKES

BE SAFE!

PROTECT IN WINTER AND SUMMER

Moths are active the year round. Replenish moth preventives in enclosures at least 2 times a year.

KENOCO Moth Flakes are made from only prime white naphthalene of the highest quality obtainable.

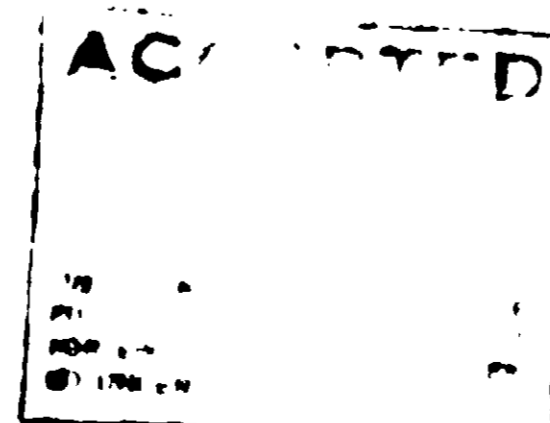

CAUTION Do not use naphthalene Moth Flakes with any other moth preventive chemical. **KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed.
