DEODORIZES surfaces . . .

For those clinging odors retained
in porous surfaces such as
draperies and curtains, spray
LemonScent from a distance of
about 10 inches allowing spray
to penetrate the porous surface
to be treated.

WARNING FLAMMABLE! Con-
tents under pressure. Keep away
from fire, sparks, and heated
surfaces. Do not puncture or
incinerate container. Exposure to
temperatures above 130°F may
cause bursting. Keep out of the
reach of children. Do not spray
on surfaces that may have pro-
longed contact with the skin.
Avoid contact with food. Spray
away from face and eyes.
Do not use on polished wood,
furniture or rayon fabrics.
