

RECOMMENDED FOR HOSPITAL USE

Kills dangerous staph and TB germs on environmental surfaces. Disinfects and controls mold and mildew on hard non-porous surfaces such as bathroom fixtures, toilet seats, kitchen fixtures, empty garbage cans and diaper pails, furniture in sick rooms and nurseries, fishing equipment and sports equipment.

Sanitizes all shoes such as skate shoes and bowling shoes.

Athletes Foot Fungi Control: Aids in the control of Athletes Foot fungi on insoles and surfaces. Disinfects against Staphylococcus Aureus, Pseudomonas Choleraesuis, Trichophyton Interdigitale on hard non-porous surfaces. Spray in shower stalls and waiting areas. Sanitizes shoes.

DIRECTIONS FOR MILDew CONTROL AND SURFACE DISINFECTION:

Clean surface prior to treatment. Spray from a distance of about 8 inches until surface is wet and allow to dry. Repeat application weekly or when new growth appears or as necessary to maintain control.

USE:

For sanitizing and deodorizing of exterior non-porous surfaces of personal protective equipment such as hard hats, goggles, ear muffs, ear plugs, respirators, gas masks and air breathing protective equipment and boots (where this type of equipment is required to be used by employees or visitors). This product, used as directed, is intended as an aid to temporary sanitation of such articles and must not be relied upon to replace routine manual cleaning and disinfection procedures.

WARNING: FLAMMABLE! Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep out of the reach of children. Do not spray on surfaces that may have prolonged contact with the skin. Spray away from face and eyes.

Do not use on polished wood, furniture or rayon fabric.
