EPA REGISTRATION NO. 0150-7	DATE OF ISSUANCE DEC 31 1985						
TERM OF ISSUANCE							
NAME OF PESTICIDE PRODUCT Agro 1125							
<p>NAME AND ADDRESS OF REGISTRANT (Include ZIP code)</p> <div style="border: 1px solid black; height: 100px; margin-top: 10px;"></div>							
<p>NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p>							
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p> <p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>Agro 1125 is now officially registered in accordance with FIFRA, sec. 3(c)(7)(C) provided that you:</p> <ol style="list-style-type: none"> 1. Submit and/or file all data required for registration/reregistration of your product under FIFRA sec. 3(c)(8) when the Agency requires all registrants of similar products to submit such data. 2. Add the phrase "EPA Registration No. 0150-7" to your label before you release the product for shipment. 3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-70 Enclosure for a further description of final printed labeling. <p>If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.</p> <p>A stated copy of the label is enclosed for your records.</p> <div style="text-align: center; margin-top: 20px;">  J. PRECAUTIONARY STATEMENTS

ACCEPTED
with COMMENTS
in EPA Letter Dated

DEC 31 1985

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
9150-7

Active Ingredient: Sodium Chlorite*	25%
Inert Ingredients:	75%

	100%

*Available Chlorine.....39%

Contains 2.58 lbs. of Sodium Chlorite per Gallon
at 70° F.

E.P.A. REG. NO. 9150-

E.P.A. EST. NO. 9150-RI-01

NET WT. _____ lbs.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Highly corrosive. Causes eye and skin damage. Do not take internally. May be fatal if swallowed. Irritating to nose and throat. Avoid breathing fumes. Do not get in eyes, on skin or on clothing. Do not handle with bare hands. Wear goggles or face shield, neoprene gloves and apron. Use only thoroughly clean utensils when handling. Remove and wash contaminated clothing to avoid fire.

STATEMENT OF PRACTICAL TREATMENT

If on Skin: Immediately flush skin with water for at least 15 minutes. Get medical attention.

If in Eyes: Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.

If Swallowed: Feed gruel, or bread soaked in milk, drink large amounts of water or milk. Follow with milk of magnesia, vegetable oil or beaten eggs. Get medical attention.

If Inhaled: Remove victim to fresh air. Get medical attention.

ENVIRONMENTAL HAZARD

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

CHEMICAL AND PHYSICAL HAZARDS

DANGER: Sodium Chlorite is a strong oxidizing agent. Dry sodium chlorite is flammable. Contamination with other materials such as acids, chlorine, organic chemicals, etc., may cause a chemical reaction, resulting in evolution of chlorine dioxide and heat. Explosion and/or fire could result. Chlorine dioxide is a poisonous, explosive gas. Keep all chemical and foreign materials away from this solution.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Before using this product in the mechanical generation of chlorine dioxide for biological control in paper mills, food processing flumes, water treatment equipment, cooling towers, etc., consult the generator manual for feed rates and other operating parameters.

STORAGE AND DISPOSAL

Storage: Store upright in cool, dry and well ventilated place. Avoid excessive heat or freezing. Protect from contact with other chemicals; avoid storage with organic chemical acids, reducers and combustible material. Keep container tightly closed when not in use. In case of spills, flush and drain promptly to sewer with large quantities of water. Do not allow liquid to dry out because this could present a fire hazard. If fire occurs extinguish with large volume of water.

Emergency Handling: In case of contamination or decomposition, do not reseal container. Isolate in an open, well ventilated area. Flood with large volumes of water. Cool unopened drums in vicinity by water spray.

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: Seller expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either express or implied, including but not limited to the warranties of fitness for a particular purpose or use.
