**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS**

DANGER: Highly corrosive. Causes eye and skin damage. Do not take internally. May be fatal if swallowed. Irritating to nose and throat. Avoid breathing fumes. Do not get in eyes, on skin or clothing. Do not handle with bare hands. Wear goggles or face shield, neoprene gloves and apron. Use only thoroughly clean utensils when handling. Remove and wash contaminated clothing to avoid fire.

**STATEMENT OF PRACTICAL
TREATMENT**

IF ON SKIN: Immediately flush skin with water for at least 15 minutes. Get medical attention.
IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.
IF SWALLOWED: Promptly drink large amounts of water. Do not induce vomiting. Get medical attention.
IF INHALED: Remove victim to fresh air. Get medical attention.

ENVIRONMENTAL HAZARD

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**CHEMICAL AND PHYSICAL
HAZARDS**

DANGER: Sodium Chlorite is a strong oxidizing agent. Dry sodium chlorite is flammable. Contamination with other materials such as acids, chlorine, organic chemicals, etc., may cause a chemical reaction, resulting in evolution of chlorine dioxide and heat. Explosion and/or fire could result. Chlorine dioxide is a poisonous explosive gas. Keep all chemical and foreign materials away from this solution.

ASEPTROL 8125

25% AQUEOUS SODIUM CHLORITE

**TO PRODUCE CHLORINE DIOXIDE
IN WATER SYSTEMS**

FOR INDUSTRIAL USE ONLY

KEEP OUT OF REACH OF CHILDREN

DANGER!

**SEE SIDE PANELS FOR ADDITIONAL
PRECAUTIONARY STATEMENTS**

Active Ingredients: Sodium Chlorite* 25%
Inert Ingredients 75%
..... 100%
*Available Chlorine 39%
Contains 2.58 lbs. of Sodium Chlorite per Gallon at 70°F.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Before using this product in the mechanical generation of chlorine dioxide for biological control in paper mills, food processing fumes, water treatment equipment, cooling towers, poultry chiller water (0.5 - 3.0 ppm residual) consult the generator manual for feed rates and other operating parameters.

STORAGE AND DISPOSAL

STORAGE: Store upright in cool, dry and well ventilated place. Avoid excessive heat or freezing. Protect from contact with other residual chemicals; avoid storage with organic chemicals, acids, reducers and combustible material. Keep container tightly closed when not in use. In case of spills, flush and drain promptly to sewer with large quantities of water. Do not allow liquid to dry out because this could present a fire hazard. If fire occurs extinguish with large volume of water.

EMERGENCY HANDLING: In case of contamination or decomposition, do not reseal container. Isolate in an open, well ventilated area. Flood with large volumes of water. Cool unopened drums in vicinity by waterspray.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: Seller expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either express or implied, including but not limited to the warranties of fitness for a particular purpose for use.
