dispensing without prescription.

FOR EXTERNAL USE ONLY

**CAUTION: KEEP OUT OF REACH
OF CHILDREN.**

Read both panels. See insert for
additional information on Precautions
and Directions for Use.

This product is indicated for the treatment of scabies (Sarcoptes
 mites) and head lice (Pediculus capitis) and crab lice
 (Phthirus pubis). It is contraindicated in individuals who devel-
 op an allergic reaction to any of its components.
 If an allergic reaction occurs, prompt institution of gastric
 lavage and other appropriate measures should be given
 immediately. Irritation of the eyes should be given
 immediate attention. Contact with eyes occurs, flush with
 copious amounts of water. Discontinue the product and consult
 your physician.
