

Disinfectant Cleaner  
Concentrate

# CYNAMIC 305

EPA Reg. No. 9173-2

Concentrated formula for use as a disinfectant, sanitizer, fungicide against pathogenic fungi and deodorizer throughout a building. Exceptional cleaning ability makes it practical for all areas, but, its broad spectrum of kill against a wide range of both gram positive and gram negative bacteria is extremely important in such areas as Hospital Operating Rooms, Patient Rooms, Rest Rooms, Nurseries, Food Service Areas and Equipment, Laboratories, Locker Rooms and Showers.

### DIRECTIONS

Do not use in solutions containing other cleaning agents.

#### Cleaning and Disinfecting

Add 1 ounce of CYNAMIC 305 to each gallon of water. Apply with mops, cloths, sponges, etc., preferably used only for applying CYNAMIC 305 solutions. For maximum germicidal results, wet surfaces thoroughly with solution. If surfaces are heavily contaminated with soil and/or organic matter, 2 applications are recommended to assure complete disinfection. If desired, follow with a clean water rinse. Rinse is recommended if floor polish is to be applied after cleaning floor.

#### Food Equipment Sanitizing

Add 1.4 ounces of CYNAMIC 305 to each 5 gallons of water. Rinse food contact surfaces with potable water before reuse.

#### Active Ingredients

n-Alkyl (60% C <sub>14</sub> , 30% C <sub>16</sub> , 5% C <sub>12</sub> , 5% C <sub>18</sub> ) dimethyl benzyl ammonium chlorides .....	4.5%
n-Alkyl (68% C <sub>12</sub> , 32% C <sub>14</sub> ) dimethyl ethylbenzyl ammonium chlorides .....	4.5%
Tetrasodium ethylene diamine tetraacetate .....	2.0%
Sodium Carbonate .....	4.0%
Inert Ingredients .....	85.0%

## DANGER

Keep out of reach of children.

Corrosive. Causes eye damage and severe skin irritation. Do not get in eyes, on skin, or on clothing. Use of goggles or face shield and rubber gloves is recommended when handling. Harmful or fatal if swallowed. Do not contaminate food. Rinse empty container thoroughly with water and discard it.

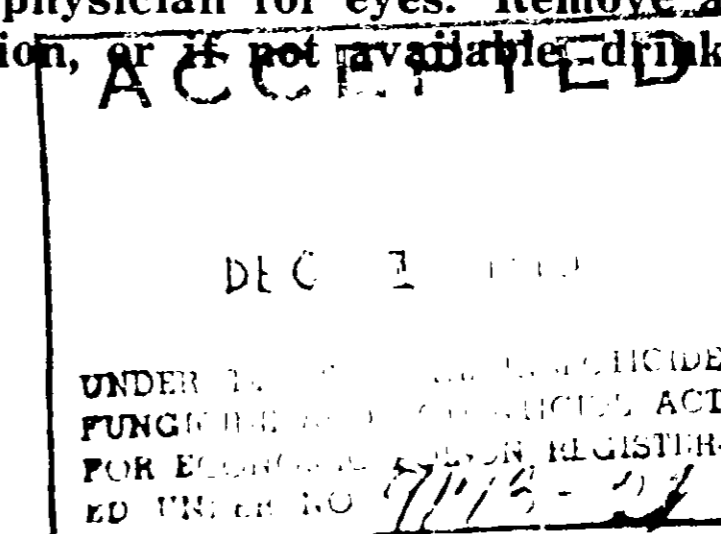

### FIRST AID

In case of contact, immediately flush eyes or skin with water for at least 15 minutes. Call physician for eyes. Remove and wash concentrate from clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if not available, drink a large amount of water and call a physician.

Rinse empty container thoroughly with water and discard.

1 Gallon = 3.785 Liters
