CAUTION

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, or clothing. In case of contact flush with water. Do not contaminate foodstuffs or feed. Do not feed forage from treated areas to livestock.

STATEMENT OF PRACTICAL TREATMENT

In case of contact wash skin with plenty of soap and water. For eyes flush with water for 15 minutes and get medical attention.

ENVIRONMENTAL HAZARDS

This product is highly toxic to fish, birds, and bees. Do not apply near water or to areas where water is likely to occur. Do not apply to areas where water is likely to occur.

40F4

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

LAWN and ORNAMENTAL TURF (Established turf only)

Apply contents of bag 3 pounds to 2,500 sq. ft. (50' x 50') of lawn with a spreader for the control of SMOOTH & HAIRY CRABGRASS, GOOSEGRASS (SILVER CRABGRASS), BARNYARDGRASS, YELLOW and GREEN FOX-TAIL. 5 pounds to 1850 sq. ft. (37' x 50') for control of ANNUAL BLUEGRASS. (Poa Annua)

BALAN controls weeds by killing their seeds as they germinate. It does not control established weeds. Time application in the spring, before the germination of annual grass weeds is best. Water after application to wash chemical into the soil.

PRECAUTIONS: Do not apply to turf planted the previous fall. Do not apply to bentgrass putting greens or dachon-dia turf. Do not apply to newly sprigged areas of bermudagrass, St. Augustinegrass, or Centipedegrass and these turfs are well established since root inhibition may result. **BALAN** may thin fine leaved fescues or rates above those recommended on label.

Note: Do not reseed with 42 days after treatment.

SUGGESTED SPREADER SETTINGS

	Poa Annua Control	Crabgrass Control		Poa Annua Control	Crabgrass Control
Central Drop	8-8 1/2	7 1/2-8	Ortho Broadcast	1-2	1
Central Broadcast	3 1/2-4	3 1/2-3 3/4	Scotts Drop	5 1/2-6	4 1/2-5 1/2
Cyclone	4-4 1/2	3 1/2-4	Scotts Broadcast	F-H	D-F
Greenview	8-8 1/2	7 1/2-8	Sears Drop	7 1/2-8 1/2	7 1/2-7 3/4
Ortho Drop	5-5 1/2	4 1/2-5	Sears Broadcast	3 1/2-4	3 1/2-3 3/4

These suggestions are for your guidance and are in no sense a guarantee of exact application. Age, condition of spreader, speed of operation and roughness of terrain can cause variations in the rates applied. Be sure to calibrate spreader with each application.

STORAGE AND DISPOSAL

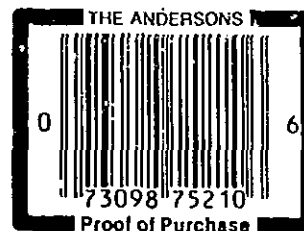

STORAGE: Store in a dry place. Keep container closed. Do not contaminate water, food, or feed by storage or disposal. Do not store near other pesticides or seeds. Keep out of reach of children, pets and other animals. Avoid moisture.

CONTAINER DISPOSAL: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse bag. Discard bag in trash.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
