Information regarding the contents and levels of metals in this product is available on the internet at <http://www.regulatory-info-XX.com>.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes eye irritation. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

### FIRST AID

If in eyes:	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
-------------	--

### ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to freshwater marine and estuarine fish and aquatic invertebrates including shrimp and oyster. Do not apply directly to water. Do not apply in a manner which will directly expose canals, lakes, streams, ponds, marshes or estuaries to aerial drift. Do not contaminate water by disposing of equipment washwaters.

### GENERAL INFORMATION

#### What Easy Weed 'n Green Does:

Easy Weed 'n Green is a dual action {or purpose} product that feeds with a quality plant food {or Miracle-Gro All Purpose Plant Food} and at the same time prevents many broadleaf and grassy weeds from becoming started {or germinating}. Apply around listed flowers, bulbs, roses, shrubs, trees, groundcover, and vegetables, for all season weed control without difficult and time consuming hand weeding. Without weeds to compete for space, plant nutrients and water, your valuable plants can grow larger and stronger. Do not apply to Ajuga, Myrtle or Pachysandra as injury may result.

(BACK PANEL)

**Easy Weed 'n Green Prevents the Following Weeds (From Germinating):**

**{Grassy Weeds:}** Annual Bluegrass, Barnyardgrass (Watergrass), Brachiaria, Bromegrass, Cheat, Crabgrass, Fall Panicum, Foxtail, Goosegrass, Johnsongrass (from seed), Junglerice, Lovegrass, Sandbur, Signalgrass, Stinkgrass, Sprangletop, Texas Panicum, Wildcane, Witchgrass and Woolly Cupgrass. *Also controls these broadleaf weeds (or Broadleaf weeds),* Caricessweed, Carpetweed, Common Chickweed, Florida Purslane (Pusley), Goosefoot, Knotweed, Kochia, Lambsquarter, Pigweed (Spiny and Redroot), Purslane, Russian Thistle, Stinging Nettle.

(BACK PANEL)

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

Not for use on plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. For use on plants intended for aesthetic purposes or climatic modification and being grown in ornamental gardens or parks, or on golf courses or lawns.

Entry Restrictions: Do not allow people or pets to enter the treated area until dusts have settled. If watering-in is required after application, do not enter or allow others to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry

Application Restrictions: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application

**When to Apply Easy Weed 'n Green:**

Apply as early as possible in the growing season to take advantage of the season-long weed control it can provide when making sequential applications. You may apply anytime during the growing season around established flowers, bulbs, roses, shrubs, trees and anytime prior to setting transplants. It is best to avoid over-application to prevent carryover problems with sensitive plants the following season. Do not use on flower seeds, lawns, or enclosed areas such as greenhouses. For best results follow directions carefully.

**How to Apply Easy Weed 'n Green:**

Since Easy Weed 'n Green doesn't kill weeds but prevents them from *appearing {or germinating}* first remove existing weeds and cultivate to prepare a smooth soil surface.

**For Established Plant Application on {or :For} roses, shrubs, trees and flowers 2" to 3" tall, (see special section for use on vegetables),** sprinkle Easy Weed 'n Green evenly over the entire soil surface using enough to match this picture. This surface application rate equals 1 oz. per 10 sq. ft.

**Surface Application Rate**

Sprinkle Easy Weed 'n Green as shown on soil surface.

Do not apply when foliage is wet. Best results are obtained by lightly watering into soil after application. **For all-season weed control and plant feeding make second application 4 weeks after first application.** For best results, continue to feed your plants every 2-3 weeks with a quality plant food or **Miracle-Gro® Plant Food**.

**For Pre-Planting Application** apply at the rate of 1 oz. per 10 sq. ft. before setting transplants. Gently rake in. Do not use with flower seeds. Gladiola corms less than 1 inch in diameter may be injured by pre-plant application. Best results will result when lightly watered in. **For all-season weed control and plant feeding make second application 4 week after first application.** For best results, continue to feed your plants every 2-3 weeks with a quality plant food or **Miracle-Gro® Plant Food** once your plants have become established.

6/8

(BACK PANEL)

**For Use on Vegetables**, apply this *two-way (or dual purpose)* product as both a weed control and plant food in certain home vegetables gardens as directed below. Application may be made ~~(up to 10 weeks)~~ prior to planting direct seeded vegetables and anytime prior to setting transplants. Remove all existing weeds first then lightly cultivate to prepare a smooth soil surface. Rate of application depends on type of soil. Apply at 1 lb. per 320 sq. ft. (16 ft. X 20 ft.) for heavy clay type soils and at 1 lb. per 640 sq. ft. (20 ft. X 32 ft.) for light soils. Gently rake into the top 1-3 inches of soil within 24 hours after application. Do not use on soil containing more than 10 percent organic matter.

- 1) **From Seed:** Black-Eyed Peas, Carrots, Celery, Okra, Southern or Cow Peas, Green Peas, Lima Beans, Snap Beans, Broccoli, Brussel Sprouts, Cabbage, Cauliflower, Turnip Greens, Mustard Greens, Collard, Kale, Field Peas. **Treat prior to seeding.**
- 2) **Post Emergent:** Cantaloupe, Cucumber, Watermelon. **Apply after plants are in 3 to 4 true leaf stage.**
- 3) **Asparagus:** Established only. Apply after ferns are removed, but prior to spear emergence.
- 4) **Before Transplanting:** Celery, Broccoli, Brussel Sprouts, Cabbage, Cauliflower, Peppers, Tomatoes. **Make application to prepared soil and incorporate into top 1 to 3 inches of soil prior to transplanting.**
- 5) **Potato (except Maine):** May be applied after planting, before emergence or after emergence. Use care not to damage seed pieces in cultivating, nor to allow treated soil to contact emerged plant foliage.

In all cases, cultivate the Easy Weed 'n Green into the soil after application, using care not to damage emerged crops.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal. **PESTICIDE STORAGE:** Keep container closed and away from food, feedstuffs and domestic water supplies. **PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash. **CONTAINER DISPOSAL:** Do not reuse container. Discard container in trash.

**IMPORTANT: READ BEFORE USE:**

**Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:**

**WARRANTY DISCLAIMER and LIMITATION of LIABILITY:**

**Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Where permissible, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer's choice. Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.**

**LEGAL RIGHTS:**

**THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION. (RVnot110702)**
